GUN SAFETY

Last week permission slips were sent home concerning the teaching of gun safety. This is part of a state law requiring all students to receive instruction designed to promote awareness, safety and responsible decision-making. More information can be found on the permission slip. We will begin this brief instruction following spring break. If you have any questions or need additional information please contact the school.

ALL Ferron Elementary Families Reunification Drill Thur., March 26th

Attention FE Families:

We are holding a state required **Reunification Drill on Thur., March 26th!** We are asking a parent or authorized emergency contact (as listed on the student's registration card) to come to school during the drill, go through the required process, and pick up their child(ren). Students will then be excused for the remainder of the school day. **The reunification drill will start at approx. 1:30pm.** Wait for the call/text/email to go out before you come to the school. Please make sure we have your current cell phone number and email address on file at the school or you will not receive notification that the drill has started.

YOU MUST HAVE YOUR PICTURE ID! You will not be able to pick up your child without a picture ID. (Please see picture above for a visual representation of the process explained below.)

PROCEDURE TO PICK UP YOUR CHILD: You must be in a vehicle to pick up your child. **DO NOT EXIT YOUR VEHICLE AT ANY TIME.** Enter the queue heading from east to west on Main St. Proceed to the south side of the school where you will be stopped and asked to verify which student(s) you are picking up and have your ID verified. You will then proceed onto 200 W (backside of the gym) where you will provide your signed and verified form to a staff member and your child will be brought from the building to your car. Continue to exit onto Mill Rd. Thank you for your help, support and patience as we practice reunification together!
