### **What You Can Expect:**

If you want an investigation agency that delivers results that only comes from experience, tenacity and a professional level of reliability, than you should hire Feegel & Associates. The knowledge to understand the goal in every investigation is crucial. Feegel delivers results while maintaining professional standards that allow the evidence obtained to be readably easy to admit in to evidence.

We think outside the box and offer you solutions that you may not have thought of. Each investigation is supplied with a complete background on the subject matter, including in-depth research that is relevant to your situation.

We are cognizant of the importance of timely reporting, professional reporting and ethical practice of investigations. Our reporting, evidence gathering, photographs, video, etc. are always returned to the client and are completed in a timely and professional manner. Our attention to detail in our completed report and findings are relevant and useful.

We have concrete and reliable guiding principles. Every investigation is handled ethically, professionally, competently and diligently. Our clients, colleagues, associates and witnesses are treated with genuine professional respect, compassion and concern.

- We have unparalleled training
- We take the time to understand the goal of investigation
- We are proactive instead of reactive
- We are straightforward
- We deliver results in a timely manner
- We strictly maintain confidentiality
- We have experience testifying in depositions as well as court procedures
- We delivers the truth whether good or bad
- The evidence must be relevant for the attorney to use it in court. We not only uncover facts but look for the relevance of facts.

### **Personal Accomplishments:**

- Pi Kappa Alpha Fraternity Rush Chairman 1988
- Father of three
- Avid offshore angler
- Gourmet cook
- Creative, energetic, tenacious
