## **ECB Covid-19 Update for England and Wales**

All Covid-19 restrictions were lifted in 2022 and any future updates will be posted on the ECB website.

## **ECB CODE OF CONDUCT**

- 1 The ECB is committed to maintaining the highest standards of behaviour and conduct. This Code of Conduct incorporates the Spirit of Cricket, as set out below. It applies to all matches played under the auspices of the ECB and may be applied to cricket in general.
- 2 The captains are responsible at all times for ensuring that play is conducted within the Spirit of Cricket as well as within the Laws.
- 3 Players and team officials must at all times accept the umpire's decision. Players must not show dissent at the umpire's decision or react in a provocative or disapproving manner towards an umpire at any time.
- 4 Players and team officials shall not intimidate, assault or attempt to intimidate or assault an umpire, another player or a spectator.
- 5 Players and team officials shall not use crude and/or abusive language (known as sledging) nor make offensive gestures or hand signals nor deliberately distract an opponent.
- 6 Players and team officials shall not make racially abusive comments nor indulge in racially abusive actions against fellow players, officials, members and supporters. Clubs must operate an active open door membership policy whilst respecting player qualification regulations and welcome players/members irrespective of ethnic origin.
- 7 Players and team officials shall not use or in any way be concerned in the use or distribution of illegal drugs.
- 8 Clubs must take adequate steps to ensure the good behaviour of their members and supporters towards players and umpires.

## THE SPIRIT OF CRICKET

Cricket is a game that owes much of its unique appeal to the fact that it should be played not only within its Laws, but also within the Spirit of the Game. Any action which is seen to abuse this spirit causes injury to the game itself. The major responsibility for ensuring the spirit of fair play rests with the captains.

1 There are two Laws which place the responsibility for the team's conduct firmly on the captain.

### **Responsibility of captains**

The captains are responsible at all times for ensuring that play is conducted within the Spirit of the Game as well as within the Laws.

### **Player's conduct**

In the event that any player failing to comply with instructions by an umpire, or criticising by word or action the decisions of an umpire, or showing dissent, or generally behaving in a manner which might bring the game into disrepute, the umpire concerned shall in the first place report the matter to the other umpire and to the player's captain, and instruct the latter to take action.

### **2 Fair and unfair play**

According to the Laws the umpires are the sole judges of fair and unfair play. The umpires may intervene at any time and it is the responsibility of the captain to take action where required.

### **3 The umpires are authorised to intervene in cases of:**

- Time wasting
- Damaging the pitch
- Dangerous or unfair bowling

- Tampering with the ball
- Any other action that they consider to be unfair

#### **4 The Spirit of the Game involves RESPECT for:**

- Your opponents
- Your own captain and team
- The role of the umpires
- The game's traditional values

#### **5 It is against the Spirit of the Game:**

- To dispute an umpire's decision by word, action or gesture
- To direct abusive language towards an opponent or umpire
- To indulge in cheating or any sharp practice, for instance:
  - (a) to appeal knowing that the batsman is not out
  - (b) to advance towards an umpire in an aggressive manner when appealing
  - (c) to seek to distract an opponent either verbally or by harassment with persistent clapping or unnecessary noise under the guise of enthusiasm and motivation of one's own side

#### **6 Violence**

There is no place for any act of violence on the field of play.

#### **7 Players**

Captains and umpires together set the tone for the conduct of a cricket match. Every player is expected to make an important contribution to this.

## **CHESTER & DISTRICT MIDWEEK CRICKET LEAGUE LEAGUE DISCIPLINARY CODE OF CONDUCT**

### **1. LEAGUE POLICY**

The League Disciplinary Committee will deal with all aspects of conduct including non-playing matters.

The primary responsibility for discipline lies with Team Captains and Clubs.

Where a report is made, in the first instance the Club concerned will investigate and act as appropriate. The League expects this responsibility to be properly and promptly discharged. Clubs are expected to complete any investigation and decision within seven days of the receipt of any report.

Where a Club fails to act within a reasonable time, then this in itself can be considered a breach of this code.

The Club will report to the Chairman of the Disciplinary Committee the result of any action taken arising from the report received.

On the field, Captains are expected to address incidents promptly and to take the appropriate action. If they do not, they are liable to be charged with the offence described in paragraph 3, C2 (h).

Offences occurring in any Chester & District Midweek Cricket League fixture are subject to this code. Furthermore, during a period of suspension, players may not be eligible to play in any other ECB-approved fixtures.

The Code describes bans in term of matches: this is to be interpreted as Chester & District Midweek Cricket League (C&DMCL) matches.

In the event of a ban, the Disciplinary Committee chairman will determine the start and finish date of the suspension. For example, a one week ban equates to seven days. During the relevant period, the player will be ineligible to play in any cricket unless, exceptionally, otherwise agreed by the Disciplinary Committee Chairman.

Both the Disciplinary Committee and the Appeals Panel will, in the case of a player, have the power to reprimand, suspend or expel a player from the League (the latter subject to confirmation by the Officers of the League)

In the case of a Club, the Disciplinary Committee and the Appeals Panel may reprimand, fine, deduct points, or expel the Club from the League (the latter subject to confirmation by the Officers of the League)

## **2. CODE PRINCIPLES**

1. It shall be a disciplinary offence:
  - (a) For any player in the course of, or in conjunction with, any match under the auspices of the league to conduct himself or act at any time in a manner likely to prejudice the good name or interests of the league and:
  - (b) For any club to fail properly to control and discipline its players or to act in a manner likely to prejudice the good name or interests of the league.
  - (c) For any captain to fail to take appropriate action on the field of play, to address any incidents properly and to avoid their repetition and or:
  - (d) For any club to fail to deal with any incident reported to it by the Chairman of the Disciplinary Committee.
2. For the purpose of this code the expression “the player” shall be deemed to mean any player, member or guest representing the club.

## **3. DISCIPLINARY OFFENCES AND SUSPENSION GUIDELINES**

This section lists offences and lays down the minimum suspensions which clubs should give to a player for committing such an offence.

## A. MAJOR OFFENCES (Category A Offences)

(Umpires will make formal and full reports in all cases and disciplinary charges will be laid.)

### A1. ABUSE OF CRICKET EQUIPMENT, CLOTHING, GROUND EQUIPMENT OR FIXTURES AND FITTINGS

The knocking of stumps, or the throwing or kicking of a bat, ball, helmet or any cricket attire, boundary marker, rope or any match or ground equipment.

Suspension: MINIMUM period of one week.

### A2. ABUSE OF A PLAYER

Deliberate violent physical contact on a member of the opposing team or a fellow team member.

Suspension: MINIMUM period of six weeks. (The severity of the act will influence the length of the penalty imposed. Indefinite or life bans may be appropriate in certain circumstances).

Threatening behaviour - includes threats of assault. Also, serious and persistent verbal abuse (sledging) using comments or language designed to denigrate, intimidate or provoke the recipient.

*Suspension: MINIMUM period of two weeks.*

### A3. ABUSE OF AN UMPIRE

Deliberate violent physical contact.

Suspension: MINIMUM period of twelve weeks. (The severity of the act will influence the length of the penalty imposed. Indefinite or life bans may be appropriate in certain circumstances).

Threatening behaviour.

*Suspension: MINIMUM period of six weeks*

Verbal Abuse (inclusive of language that is obscene, offensive or insulting and/or the making of obscene gestures).

*Suspension: MINIMUM period of three weeks.*

Dissent - any action that seeks to question or undermine the authority of an umpire. Aggravated dissent would include the use of foul or threatening language.

*Suspension: MINIMUM period of one week. Aggravated offences will attract more severe penalties, with prior record being taken into account.*

NOTE: In dealing with the above offences, where it is apparent that, following the intervention of an umpire, the offending player's captain failed to take action to control the offending player, the captain will himself be subject to a MINIMUM suspension of one week.

#### A4. RACIAL ABUSE

Any racially abusive comment or action, i.e., using language that offends, insults, humiliates, intimidates, threatens, disparages, or vilifies another person on the basis of that person's race, religion, colour, descent, or national or ethnic origin.

*Suspension: PERIOD to be decided by the Disciplinary Committee.*

#### B. ACCUMULATED BAD BEHAVIOUR (Category B Offences)

This relates to repeated offences that are reported by umpires under the Laws of Cricket or as General Misconduct (as set out in the Section C of these Guidelines). Although the individual infringements may not, on their own, merit disciplinary action they will in all cases be recorded and notified to the Club(s) concerned. A second report relating to the same player will likewise be recorded and notified: a third or subsequent report will automatically attract a Disciplinary charge, leading to penalties:

*Suspension: MINIMUM period of one week on the first occasion; two weeks for the second; four weeks for the third, etc.*

Repeated offences involving a particular team will lead to charges against the Captain concerned.

In these cases the MINIMUM suspension will be two weeks and/or a deduction of match points. Such action will take into account previous disciplinary problems.

NOTE: the "totting-up" process will not be carried over from one season to the next.

#### C. NOTIFIABLE OFFENCES (Category C Offences)

The League's Umpires are REQUIRED to report each and every incident under this heading. This applies even where the umpire considers that the incident has been "dealt with" at the time. Such reports may be brief, and umpires will normally use their standard reporting cards for such incidents. Category C1 offences are, in general penalised under the Laws. For the remainder (the Category C2 offences) disciplinary action will not necessarily flow from individual reports but each one will be recorded and repeated offences will be dealt with under the procedure relating to

#### ACCUMULATED BAD BEHAVIOUR.

#### C1. OFFENCES REQUIRING MANDATORY REPORTS UNDER THE LAWS OF CRICKET.

Deliberate short runs or run stealing.

Dangerous and unfair bowling, including "bouncers" and "beamers".

Ball tampering.

Deliberate and malicious distraction/obstruction on the field of play.

Distracting an opponent.

Deliberate time wasting.

Damaging the pitch.

## C2. OFFENCES CLASSED AS "GENERAL MISCONDUCT" - MANDATORY REPORT REQUIRED

- a) Excessive, Ridiculous, and Orchestrated appealing.
- b) Charging or advancing towards the Umpire in an aggressive manner when appealing.
- c) Premature "celebrations", before an umpire's decision is made.
- d) Persistent questioning of umpires' decisions/actions. (Where this falls short of actual dissent - see Cat A3).
- e) Pointing or gesturing towards the pavilion in an aggressive manner upon the dismissal of a batsman.
- f) Throwing the ball in a careless manner at or near a player, umpire, team official or spectator.
- g) Making comments or gestures that are obscene, offensive, insulting or deliberately provocative to another player, team official or spectator.

*NOTE 1. The above constitutes a MAJOR offence when directed at an umpire - see A3 - ABUSE OF AN UMPIRE*

*NOTE 2. It is acknowledged that there will be verbal exchanges between players during the course of play. Rather than seeking to eliminate these exchanges entirely, umpires will look to make a report when this behaviour falls below an acceptable standard.*

- h) Failure of a Captain to take appropriate action to control players' conduct/behaviour.
- i) Any unsavoury action or event, which in the opinion of the Umpire should be reported as being contrary to the Spirit of the game.

## D. SPECTATORS' BEHAVIOUR

Clubs are responsible at all times for the conduct of all their members, even where they are merely spectators. In the event of such a member's conduct being reported as offensive, abusive, etc. (whether to players umpires, officials or other spectators), clubs will be liable to fines and/or points deductions, or such other penalty as the Disciplinary

Committee shall deem appropriate.

FOOTNOTE: Umpires/Captains will normally report Category A, C and D offences. However, individual Clubs may also make reports if they wish. Such reports must be made by a by responsible Club Official (normally the Chairman or Secretary).

## 4. DISCIPLINARY COMPLAINTS

Complaints will be accepted by the Disciplinary Committee from the following sources:

1. Umpires and Captains
2. Any Club Chairman or official acting on behalf of the club
3. Any Officer of the League
4. The holder of the office of Cheshire (or relevant County Board) Child Welfare Officer

## 5. DISCIPLINARY COMPLAINTS PROCEDURE

The Disciplinary Complaints Procedure is aimed to be fair, reasonable and flexible according to the particular circumstances of the offence(s). Notes for guidance have been added below for each step of the process.

- 5.1 Following an offence, and at the end of the match, the Captain(s) should be advised by the complainant of their intention to submit a report under the terms of the Disciplinary code:

NOTE: This notification is to allow Captain and Club to know as early as possible that a report is to be made and for them to commence the investigation procedure. This step is not provided to allow the opportunity for the Captain / Player / Club to seek the withdrawal of any report. Failure to inform will not be fatal to the process unless it causes to serious prejudice to the Captain / Player / Club.

- 5.2 Any report must be made within 48 hours of the end of the game.
- 5.3 The Disciplinary Committee Chairman will, as soon as is practical, contact the appropriate club(s) and ask them to confirm that they have received the complaint and are taking action in accordance with this code. Where possible, a timetable for action will be agreed between the Disciplinary Committee Chairman and the club(s) involved.

NOTE: Clubs are normally expected to convene an internal inquiry within five days following the match in which the incident occurred.

- 5.4 The Club will report the outcome of their investigation and confirm any disciplinary action taken to the Disciplinary Committee Chairman.

NOTE: Clubs and / or Disciplinary Committee will take into account the past history of a club's and a player's behaviour when dealing appropriate action. Suspensions imposed for a period which extends beyond the end of the season will be carried into the following season.

- 5.5 The Disciplinary Committee Chairman will agree the action taken or, if he does not agree, inform the club that a Disciplinary Hearing will be convened.
- 5.6 In the event of a club failing to take appropriate action as in 5.5 above, the club will be informed as soon as is practical of a date and venue for a Disciplinary Hearing.

NOTE: Where practicable the Hearing should take place within 14 days of the incident and the Disciplinary Committee Chairman shall appoint two further members to serve with him, approved by the Officers of the League.

Clubs should note that these Hearings are focussed upon the Club's failure to act appropriately and are not re-hearings of the original complaint. The circumstances of the incident will only be relevant to decide whether the actions of the club and any penalty, was reasonable in the circumstances.

More than one incident on the course of a match can mean that separate charges will be laid. If the Disciplinary Committee finds the player charges to be guilty of more than one offence, they will impose separate penalties in respect of each offence. Penalties can be cumulative or concurrent.

- 5.7 The player or club shall be entitled to attend the Hearing, in the case of a club by the presence of one of its officials, or be otherwise represented and to call witnesses. However, if the parties concerned are unable to attend, the Hearing shall take place using written evidence.
- 5.8 A club or player may appeal in writing to the Disciplinary Committee Chairman within five days of the date of the hearing accompanied by a cheque for £50 made payable to the Chester & District Midweek Cricket League. This amount will be refunded in the event of the appeal being successful. In the event of the Appeal not being received within the five day period, the decision of the Disciplinary Committee will stand.
- 5.9 Where an appeal is made, the Disciplinary Committee Chairman will appoint a new panel of three different members approved by the Officers of the League and advise the player or club of the date and venue of the hearing. This will be in the form of a re-hearing and the player and the club shall have the same rights of attendance as for the original hearing.
- 5.10 The Appeals Panel has the power to increase or reduce the penalties and to uphold or set aside the decision of the Disciplinary Committee. Its decision is final and binding.

# RULES

## SECTION A - Organisation of League

1. The League shall be called the Chester and District Mid-Week Cricket League and shall be open to cricket teams in Chester and District subject to approval at the Annual General Meeting.
2. The League shall be governed by a General Committee consisting of a President, Vice President, Chairman, General Secretary, Treasurer, Social Secretary, Fixture Secretaries and one representative from each Club, a quorum shall be twenty persons, two of whom must be Officers. The General Committee have the option to co-opt members and/or form a sub-committee as they may consider necessary. The General committee will meet to consider any disputes which arise, and report the outcomes to the next full league meeting.
3. In order to compete in the league for the forthcoming season a club must:
  - a. provide a fully completed application form to be sent via email to the General Secretary (a pro-forma with a return deadline date will be sent to the clubs prior to the AGM)
  - b. attend the Annual General Meeting
  - c. make payment of the annual subscription at the AGM (the level of which is to be determined at the AGM).

Failure to submit the application form by the required date, to attend the AGM and to pay the relevant subscription, will result in that team not being admitted to the league for the forthcoming season. Only in very exceptional circumstances, to be considered by the League Committee, will any exceptions to this rule be made.

4. The number of Clubs admitted to the League and the composition of the Divisions for the current season shall be decided at the Annual General Meeting.
5. New clubs will be charged an entrance fee of £15 immediately upon admission to the League in addition to the annual subscription.

6. The Annual General Meeting shall be held in February of each year, and may be attended by any number of representatives from each Club. Voting at the AGM shall be one vote per club, the Chairman of the meeting to have the casting vote should this be necessary.

The AGM shall:-

- (a) Consider the General Secretary's Report and the Treasurer's Report (including a Statement of Accounts.)
  - (b) Consider new rules and/or amendments to existing rules; any such additions or alterations shall take effect from the end of that meeting and will be subject to acceptance by a simple majority of the Clubs present. Amendments to rules must be in writing, duly seconded by another club or officer and submitted to the General Secretary no later than 31st December before the start of the forthcoming season.
7. Any club which plays in the League, but which fails to attend and collect its fixtures at the annual fixture meeting will be deducted **two** points for the forthcoming season.

## **SECTION B - Match Rules**

1. All matches to be played to MCC Rules unless otherwise provided for. Any umpire or player may report to the Committee any breach of the Rules.
2. (a) All games to be played on dates given in the fixture list, unless changed by mutual agreement of the Clubs involved at least three days prior to the scheduled date of the game and after approval by the Fixture Secretary, who must be provided with the alternative date, by email. The revised date must be no later than the Thursday in week 15. Once a new date has been determined the fixture cannot subsequently be re-arranged. Failure to agree a new date or complete the re-arranged fixture will result in the points being forfeited by the team unable to play on the original scheduled date. The Fixture Secretary must be informed of all alterations.
- (b) Points shall be awarded as follows: - Two points for a Win, one point to each team if a match is rained off or unfinished due to unforeseen circumstances. In the event of the scores being level at the end of the game, the result will be a tie and one point shall be given to each team.

(c) Any game not played on the scheduled date due to adverse weather conditions shall be deemed drawn and cannot be re-arranged.

(d) The Home side is responsible for deciding if the ground is unfit for play due to adverse weather conditions and advising their opponents as soon as possible.

If confirmation of the cancellation has not been acknowledged by the away team, a representative from the home team must be present at the ground on which the game is scheduled to be played for 15 minutes before and after the normal starting time.

(e) A Club which fails to fulfil a fixture without a minimum of three days notice to the opposition prior to the scheduled date of the fixture, and where there is no mutually agreed and League approved re-arrangement of the fixture, will in addition to forfeiting the points for that game have two points deducted from its League record.

A Club which fails to fulfil two scheduled fixtures within the rules operating and during the current season, shall also receive a warning, by email to both contacts from their Fixture Secretary that one further similar violation of the rules will be referred for investigation to the General Committee. The General Committee will consider the circumstances of all three contraventions of League Rules and will have the power to recommend expulsion from the League. If confirmed, the games already played will be deleted from the records of the Division in which the Club played.

(f) In addition 2(e) above, an away team failing to fulfil a fixture without a minimum of three days' notice, may be subject to a financial penalty of up to £50, if the home team is charged for the use of the facilities, despite no game taking place. It is the responsibility of all clubs, who may be charged for home facilities for fixtures that are cancelled within three days, to ensure the League is aware of this, before the start of the season. This must be done by email to [chestermidweekcricket@gmail.com](mailto:chestermidweekcricket@gmail.com) and the General Secretary will forward your email to all clubs in your Division. Claims will be considered individually by the Officers and must be supported with documents confirming the hire arrangements and relevant payment. Payments received from the opposition will be forwarded to the home team by the league, to contribute towards the cost of the pitch.

### 3. Each Club may supply its own Umpire.

4. Trophies shall be awarded annually, to be held for one year. Clubs holding trophies shall be responsible for their safe-keeping and their return to the General Secretary at the September meeting each year. In the event of the League being suspended trophies shall be returned to the Donors or their representatives.
5. Play shall commence at 6.15pm and the visiting team will bat first.
6. The fielding side shall provide the ball.
7. Each team shall bat for 20 overs of 6 balls each or until the fall of the tenth wicket.  
The overs may be bowled as detailed in i) or ii) below. Captains must agree how the overs are to be bowled before the start of the game. In the event that captains cannot agree, the overs will be bowled in the conventional manner, i).
  - i) In the conventional manner – with the bowlers alternating ends at the completion of each over.
  - ii) In 4 blocks of 5 overs from each end (for reduced overs see below\*\*). The batsmen and umpires will change ends on the completion of each over. At the end of each 5 over block the batsmen and umpires will remain at the same end and the next block of 5 overs will start from the other end of the pitch. As per normal laws of the game, bowlers cannot bowl consecutive overs.
  - iii) The captains may agree, before the start of the game, to reduce the overs in order to complete the fixture, with a minimum of 10 overs per side being bowled.  
In such cases the bowling shall consist of:
    - 4 bowlers can bowl a maximum of 4 overs and 1 bowler a maximum of 3 overs in a 19 over game
    - 3 bowlers can bowl a maximum of 4 overs and 2 bowlers a maximum of 3 overs in an 18 over game
    - 2 bowlers can bowl a maximum of 4 overs and 3 bowlers a maximum of 3 overs in a 17 over game
    - 1 bowler can bowl a maximum of 4 overs and 4 bowlers a maximum of 3 overs in a 16 over game
    - 5 bowlers can bowl a maximum of 3 overs in a 15 over game
    - 4 bowlers can bowl a maximum of 3 overs and 1 bowler a maximum of 2 overs in a 14 over game
    - 3 bowlers can bowl a maximum of 3 overs and 2 bowlers a maximum of 2 overs in a 13 over game
    - 2 bowlers can bowl a maximum of 3 overs and 3 bowlers a maximum of 2 overs in a 12 over game
    - 1 bowler can bowl a maximum of 3 overs and 4 bowlers a maximum of 2 overs in an 11 over game
    - 5 bowlers can bowl a maximum of 2 overs in a 10 over game
 (NB more than 5 bowlers can be used)

**\*\*If using option B7ii) above, the game must be reduced to 16 overs per side, bowled in 4 lots of 4 over blocks from each end or 12 overs per side bowled in 4 lots of 3 over blocks from each end.**

8. The bowler's "Run-Up" shall be limited to a maximum of 12 yards behind the stumps and no one bowler shall bowl more than four overs during an innings (for a reduced overs game please see B7). Should a twelve yard line not be marked it is the captains' responsibility to agree and mark an appropriate limit to the run up before the commencement of the game. In instances where the 12 yard run up is either not marked or agreed by the captains before the start of game, it is permissible for either captain/umpire to clarify and mark the run up at any point during the game.
9. A batsman must retire at the time of reaching a personal score of 50 runs, but may not retire before reaching 50 runs (except for injury). The batsman may complete all runs possible off the stroke that takes him to 50. If one of the last pair of batsmen is out before completion of the innings, any 'retired not out' batsmen may return to complete their innings in their original batting order. A returning batsman will take the normal end of an incoming batsman after the fall of a wicket.
10. A maximum of two substitute fieldsmen is permissible with the consent of the opposing Captain.

**11. Permanent Transfer (All Divisions)**

Any Club wishing to transfer a player who has played for another Club in the League during the current season must first obtain permission to do so from the League's General Secretary. The transfer becomes valid from the Monday following the player's last appearance for the previous club.

Any evidence of infringement of this rule will be considered by the General Committee. Its recommendation, including a possible sanction against the player(s) concerned shall be reported to the next full Committee Meeting. A team including a player or players not adhering to this rule shall have a penalty of two points deducted from the Club record and both points resulting from the fixture(s) involved will be awarded to the opposition, irrespective of the result of the game. Teams coming from the same parent Club will be regarded as separate Clubs.

**Emergency Loan (Divisions 4 and 5 only)**

Any club in Divisions 4 and 5 may use up to two "emergency loan" players, in order to support a fixture being

played rather than being defaulted. The player(s) must not be from a team within the club's own division. An "emergency loan" player may bowl a maximum of 2 overs and when batting must retire on reaching a personal score of 25, having completed all runs possible off the stroke that takes the player to 25. A player may compete for a single club no more than three times under this arrangement, but may play as an "emergency loan" for more than one club, up to a maximum of five appearances on loan in a season. Teams utilising this arrangement must email Allan Axon, the League's Chairman, at [chestermidweekcricket@gmail.com](mailto:chestermidweekcricket@gmail.com) with details of the player's full name and parent club, within 24 hours of the fixture having taken place.

12. The result of each match must be submitted by text message, by the **away team** to the relevant fixture secretary before 10pm on the day the fixture is played. A result sheet for all League matches played or the reason(s) for the failure to do so, must be submitted by the **home** team on the official sheet duly signed by both captains, within **five days** of the scheduled fixture date. If a fixture is cancelled before attendance at the ground the form only needs to be signed by the home captain. Any club failing to submit a text on the evening or a result sheet within **five days** of the scheduled fixture date will be penalised as follows: first offence – warning, second offence – 2 points deducted, third offence referral to the General Committee who will consider possible expulsion and continue to deduct 2 points for each subsequent offence. The submission of the Result Sheet is the sole responsibility of the home team; confirmation by text is the sole responsibility of the away team.
13. In the event of two or more Clubs completing their fixtures with equal points, these teams will be placed according to the following criteria: (i) fewest points deducted due to contravention of League rules; (ii) most wins during the season; (iii) most points against the other club(s) with the same number of points; (iv) highest number of runs scored against other club(s) with the same number of points for completed games – in the event of the home team winning all of the games the calculation will be based on runs per over (v) highest ratio of wickets taken to wickets lost in all games concluded by the Clubs concerned during the season. The calculation will be made on Score Books to be made available to the Fixture Secretary by the Clubs affected, if necessary.
14. Any team(s) resigning from the League either during the season or prior to the AGM for the next season, shall be deemed to have filled the bottom position(s) of their Division for the purpose of relegation or promotion.
