SAFETY AND WARNING NOTES

1. Contact Information

For any questions regarding the safety and warning notes listed below,
please contact:
DINO CARS Evers GmbH
Dorfstrasse 63
26899 Rhede (Ems) / Brual
Germany
Tel.: +49 4964 – 60 49 00
Email: info@dinocars.de

2. Assembly and Use:
- Ensure that the seat padding is securely and firmly in place. Use the Velcro strip to fasten the padding securely in the designated position.
- Before each use, check that the Velcro strip adheres properly and that the padding is securely attached.

3. Safety Precautions:
- Make sure that no loose ends of the Velcro strip are hanging down, as this could cause minor injuries.
- The Velcro strip must not be damaged. If the Velcro strip is worn or damaged, replace the Velcro strips or the padding.

4. Usage Restrictions:
- Use the seat padding exclusively for its intended purpose, i.e., as seat padding for our DINO CARS GoKarts.

5. Storage:
- Store the seat padding in a dry, clean place to avoid damage or material fading.
- Ensure that the Velcro strip does not come into contact with other materials that could impair its adhesive properties.

6. Supervision of Children:
- Children should use and handle the seat padding only under adult supervision to prevent improper use.

7. Maintenance:
- Regularly check the condition of the Velcro strip and ensure that the padding is firmly in place and does not become loose.
