SAFETY AND WARNING INSTRUCTIONS

1. Contact Information

If you have any questions regarding the safety and warning instructions listed below, please contact the following details:
Tel.: +49 4964 – 60 49 00
E-mail: info@dinocars.de

2. Important Safety Warnings

- Supervision: The Dino Car may only be used under the supervision of an adult.
- Traffic Safety: The vehicle must not be used on public roads.
- Speed and Cornering: Avoid sharp turns at high speed, as the Dino Car may tip over.
- Choking Hazard: Risk of choking due to small parts (e.g., screws, nuts, washers, or other small components).
- Please observe the weight and age restrictions listed under point 3 "User Instructions".
- Storage: Store the vehicle in a dry place, protected from moisture.
- Safety Clothing: The use of appropriate protective clothing is recommended but not mandatory.
- Alcohol and Medication: Do not drive under the influence of alcohol, drugs, or medication, as this may impair reaction ability.
- Clothing Hazards: Be mindful of loose clothing such as scarves or shoelaces that could get caught.
- Batteries:
 - Use only the prescribed batteries.
 - Do not mix different battery types or new and used batteries.
 - Insert batteries correctly and remove depleted batteries.
 - Never short-circuit battery terminals.

3. User Instructions

- Age and Weight Restrictions:
 - Suitable for children under 12 years only under adult supervision.
 - Not suitable for children under 3 years.
 - Maximum user weight: 80 kg.
 - Maximum height: 170 cm.
 - Recommended minimum height: 120 cm.
- Maintenance and Inspection:
 - Before each ride, ensure that the steering, brakes, and tires function properly and that all screws are tightly fastened.
 - Check if covers are properly secured after maintenance work.
 - Regularly check tire pressure, as it affects brake and steering performance.
- Operating Instructions for Brakes and Driving Functions:
 - Brake only with the handbrake on F and ZF models; BF1 and BF3 models also have a backpedal brake.
 - On BF1 and BF3 models, forward and reverse driving is possible without switching.
 - Adjust the seat according to the user's height and teach children the safe use of brakes.
 - Do not steer with one hand to avoid accidents.

4. Usage Limitations and Recommendations

-Surfaces and Environments:

- Drive only on flat, obstacle-free surfaces. Avoid hilly or sloped terrain.
- The vehicle should not be used outdoors in rainy conditions.
- Drive in the dark only with appropriate lighting.

-Behavior in the Vehicle:

- Do not enter or exit while the vehicle is in motion.
- Do not attach objects to the steering wheel that may obstruct steering.

-Trailer Use:

- Braking distance increases when using a trailer; do not transport people in the trailer and avoid use on steep slopes.

5. Accessories and Spare Parts

-Use Only Original Parts: Only use accessories and spare parts from Dino Cars.

-Assembly and Supervision: The assembly and use of accessories and spare parts must only be carried out by or under the supervision of an adult.

-LED Light:

- Do not look directly into the LEDs to avoid eye damage.

-Blinkers & Hazard Lights:

- Do not use on public roads.
- Check functionality before each use.

-Sound Module on Steering Wheel:

- Do not use excessively or in noise-sensitive areas.

6. Disposal and Recycling

-Environmentally Friendly Disposal: Dino Cars products must be disposed of separately from household waste at the end of their service life; information on this can be obtained from local waste management services or the retailer.
