SAFETY AND WARNING INFORMATION

1. Contact Information

For questions regarding the safety and warning information listed below please contact:
Tel.: +49 4964 – 60 49 00
E-Mail: info@dinocars.de

2. Important Safety Warnings

- Supervision: The Dino Car should only be used under adult supervision.
- Traffic Safety: The vehicle must not be used on public roads.
- Speed and Cornering: Avoid sharp turns at high speeds as the Dino Car may tip over.
- Choking Hazard: Choking hazard due to small parts (e.g., screws, nuts, washers, or other small parts).
- Please observe the weight and age restrictions listed under Point 3, "User Instructions."
- Storage: Store the vehicle in a dry place protected from moisture.
- Protective Clothing: Appropriate protective clothing is recommended but not mandatory.
- Alcohol and Medications: Do not drive under the influence of alcohol, drugs or medication, as it may impair reaction ability.
- Clothing Hazards: Beware of loose clothing such as scarves or shoelaces that could become entangled.
- Batteries:
 - Use only the specified batteries.
 - Do not mix different types of batteries or new and used batteries.
 - Insert batteries with correct polarity and remove depleted batteries.
 - Never short-circuit battery terminals.

3. User Instructions

- Age and Weight Restrictions:
 - Suitable for children under 12 only under adult supervision.
 - Not suitable for children under 9.
 - Maximum user weight: 200 kg.
 - Maximum height: 190 cm
 - Recommended minimum height: 120 cm
- Maintenance and Inspection:
 - Before each ride, ensure that the steering, brakes, and tires are functioning properly and that all screws are tightened.
 - Check that covers are correctly attached after maintenance work.
 - Regularly check tire pressure, as it affects brake and steering function.
- Brake and Driving Instructions:
 - Brake only with the handbrake on F and ZF models; BF1 and BF3 models are also equipped with a coaster brake.
 - Forward and reverse driving is possible on BF1 and BF3 models without switching gears.
 - Adjust the seat to the user's height, and show children how to use the brakes safely.
 - Do not steer with one hand to avoid accidents.

4. Usage Restrictions and Recommendations

-Surfaces and Environments:

- Drive only on flat, obstacle-free surfaces. Avoid hilly or inclined areas, especially off-road.
- The vehicle should not be used outdoors in the rain.
- Drive in the dark only with appropriate lighting.

-Behavior in the Vehicle:

- Do not get in or out while in motion.
- Do not attach items to the steering wheel that could impede steering.

-Use of Trailers:

- Braking distances increase with a trailer; do not transport people in the trailer or use it on steep slopes.

5. Accessories and Spare Parts

-Use Original Parts: Use only accessories and spare parts from Dino Cars.

-Assembly and Supervision: Assembly and use of accessories and spare parts should be done by or under adult supervision.

6. Disposal and Recycling

-Environmentally Responsible Disposal: Dispose of Dino Cars products separately from household waste; for information, contact local waste disposal services or your retailer.
