CABIN TYPE	BEST FOR	THINGS TO KNOW	MY PICK
Inside	Budget travelers who'll mostly be out exploring	No window, so it stays very dark for sleeping	
Ocean view	Natural light at a lower price than a balcony	The window doesn't open	
Balcony	Couples, scenic itineraries and private downtime	Great for sunrises and sail-ins, at a higher price	
Suite	Special occasions, families and extra space	Often includes perks like priority boarding and lounges
