Snorkel Day *Checklist*

Pack smart and stay safe for a day on the reef.

What to bring

- [ ] Reef-safe sunscreen
- [ ] Rash guard or swim shirt for sun protection
- [ ] Your own mask, if you have one that fits well
- [ ] Water shoes
- [ ] Waterproof phone pouch
- [ ] Dry bag for valuables
- [ ] Towel and a change of clothes
- [ ] Refillable water bottle
- [ ] Motion-sickness medicine for boat trips
- [ ] Cash for tips

Stay safe

- [ ] Never snorkel alone
- [ ] Wear a life vest or snorkel vest if you're not a strong swimmer
- [ ] Check the conditions and listen to your guide
- [ ] Defog your mask before getting in
- [ ] Know where your boat or exit point is
- [ ] Drink plenty of water

Protect the reef

- [ ] Don't touch or stand on coral
- [ ] Look, but don't chase or feed the fish
- [ ] Keep fins away from the reef
- [ ] Take only photos

GREAT CARIBBEAN SNORKEL SPOTS

Ask me about the best snorkeling on your itinerary. Many islands have reefs you can reach right from the beach.
