

## Medical Record Medical History

In accordance with K.A.R. 28-4-117 and K.A.R. 28-4-430, a completed medical record shall be on file at the facility for each child. For a Family Child Care Home, a completed medical record shall be on file for each child under 10 years of age enrolled for care and for each child under 16 years of age living in the child care facility. The medical record shall include a medical history, a record of current immunizations and a child health assessment. The medical record is transferable when the child moves to another licensed child care facility.
