

CHRISTMAS EXHIBITION
2025

www.dacre-art.com

2025 has been an exciting year for us at Dacre Art and thank you to you all for your continued support.

I hope you enjoy the Christmas edition we have compiled this year. The catalogue features an exciting collection of work from the majority of our ever growing stable of artists. It is such an honour to represent a group of such talented and original producers. There should be something for everyone. Varied genres, subject matter and medium - no artist is the same at Dacre and their individual styles are *distinctly* their own.

Pieces exhibited in the catalogue are only a preview of what we have for sale by each artist - please do ask Emily for further information.

Wishing you a very special Christmas and best wishes for 2026.
