

“He has made everything beautiful in its time. He has also set eternity in the human heart; yet no one can fathom what God has done from beginning to end.”  
Ecclesiastes 3:11 NIV

## America the Beautiful

“O beautiful for spacious skies  
For amber waves of grain,  
For purple mountains majesties  
Above the fruited plain!  
America! America!  
God shed His grace on thee,  
And crown thy good with  
Brotherhood  
From sea to shining sea.

O beautiful for pilgrim feet  
Whose stern impassioned stress,  
A thoroughfare for freedom beat  
Across the wilderness  
America! America!  
God mend thine every flaw  
Confirm thy soul in self-control  
Thy liberty in law!

O beautiful for heroes proved  
In liberating strife,  
Who more than self their country love  
And mercy more than life!...”  
The patriotic, God including stanzas of America the Beautiful, by Katherine Lee Bates, were first written in poem form in 1893. K.L. Bates, during a journey to the western US, was motivated to write, upon seeing “beautiful,” mountainous scenery. Travel brought her to the top of Pikes Peak, Colorado in a covered wagon and inspired writing the words to America the Beautiful. Psalm 33:12 assures us: “Blessed is the nation whose God is the Lord...” Bates’ original poem was revised and put to music. The song is sometimes referred to as an “unofficial national anthem,” second to the Star Spangled Banner. “On a clear day, atop the Colorado Rocky Mountains, you may catch a glimpse of: New Mexico, Nebraska, Kansas, Wyoming and Oklahoma, depending on conditions.” Source: Instagram
