These Wisconsin deer (left) maneuver
surefootedly around oncoming,
slow moving vehicles, without hesitation.
The safari deer are in search of healthy,
purchased treats from visitors
at the Drive-Thru
Shamba Safari in
Neshkoro, Wisconsin.
The wildlife park experience is located
in Marquette County.

This season, we may have a greater
awareness of deer in our yards and
gardens. We often are cautious and
need to be on the "lookout" for sudden
deer appearances along
Wisconsin roadways.

"Deer feet" is referenced
three times in the Old Testament:
Habakkuk 3:19 NIV:
"The sovereign Lord is my strength,
He makes
my feet like the feet of a deer,
He enables me to tread on the
heights."

Psalm 18:33 NIV:
"He makes my feet like the feet of a deer,
He causes me to stand on the heights."

2nd Samuel 22:34:
New Living Translation
"He makes me as surefooted as a deer,
enabling me to stand on
mountain heights."

Deer are often agile and usually
navigate quickly across uneven,
steep terrain. They are "good
leapers."

People can experience
God's protection
from slipping on their own in
life's "rough terrain."
Christians may
navigate through the
"ups and downs" of life
with greater assurance and
"surefootedness"
with the Lord's help.
