Hot foil stamping collection

The ultimate in luxury wedding stationery, featuring elegant foil detailing for a truly elevated finish. Designed for couples to make a statement, this collection combines bespoke design with the timeless beauty of foil pressing. Each piece is carefully crafted and hand pressed to add a touch of luxury to your stationery and create a memorable first impression.

We use a traditional press and a custom magnesium plate (die) with your design, which is applied using a combination of heat and pressure to leave a perfect, tactile imprint onto our premium cardstock.

	25	50	75	100	Individual extras
Package 1 - Essential foil stamping (invitation only)	£102.50	£205.00	£307.50	£410.00	£4.10
Package 2 - Luxury foil stamping full suite (invite + details +RSVP)	£202.50	£405.00	£607.50	£810.00	£8.10

Essential foil stamping combined with digital print

All foil stamping print packages are subject to a minimum order of 25 and include all design work with up to 3 rounds of revisions and the manufacture of the magnesium plate for pressing (either for embossing or debossing as required).

Each piece of stationery will need its own plate for the specific design to be imprinted. All stationery is pressed on one side only.

This can be either a blind emboss or a deboss with a choice of over 90 foil colours including metallics, pigments and speciality finishes. Invitations are standard 5" x 7" size, details and RSVPs are A6, printed on any colour card inclusively. We can also combine digital print with certain parts of the design embossed or debossed as required.

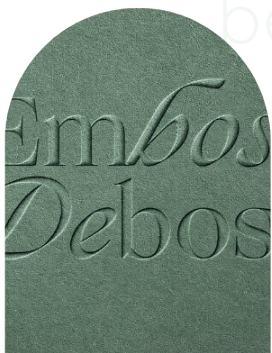

Postage/shipping is charged in addition according to Royal Mail current tariff.

We can also provide colour swatches for the perfect colour choice.
