OUTER BURIAL CONTAINER PRICE LIST February 26, 2025

Outer Burial Containers are available in a price range from \$1,095 to \$7,500.

In most areas of the country, no state or local law makes you buy a container to surround the casket in the grave.
However, some cemeteries require such a container so that the grave will not sink. Either a burial vault or rigid grave liner will satisfy these requirements.
If you are required to purchase an outer burial container, we will list the reason in writing on your statement of funeral goods and services.
