PARISH ROSARY PROGRAM

Members of our St. Agnes Parish family are invited to participate in a parish rosary program. This simple, yet powerful program involves each member tallying the number of rosaries they have prayed in a week and turning in the count each Sunday. The tally sheets should be placed in the wooden box in the church vestibule.

Week of	Rosaries prayed	Year to Date
August 24 - 30	74	2,420
August 31 - September 6	100	2,520

Our world is in a crisis of violence and terror. The rosary powerful and carries many graces with it.

WELCOME TO ST. AGNES

Please know that, whoever you are and from wherever you have come, you are welcome in God's house. May every heart be warmed by God's presence.

Church Plaza—In May of 2006, we expanded the simple sidewalk, that led to the front door of the church, into a wider area or a plaza. The plaza provides more room outside the church for when people might gather after Mass. At that same time, benches were added and lights that provide more illumination outside the church during the evening hours. Part of the plaza project was the insertion of ornamental stones with various symbols. Several parishioners made donations toward these ornamental stones and the plaza. For the most part, there are two stones with the same symbol. With the approach of the 20th “anniversary” of the plaza, we might run in the bulletin, from time to time, an explanation of the meaning of the symbols.

Harp

A harp appears on only one of the granite stones in the church plaza. The harp can be a sign of several things. The harp can be a sign of David, of the Psalms, or the Liturgy of the Hours and of church music in general. David is presented in the Bible as playing a harp. The psalms are something attributed to David, although he almost

certainly is not responsible for all of them. The Psalms were at times sung to the accompaniment of the harp as well as other musical instruments. The Psalms are the basis for the various “hours” of the Divine Office

or Liturgy of the Hours. The Liturgy of the Hours is prayed by priests and others. In formal settings, the Psalms of the Divine Office are sung. The priest is to pray the Divine Office for the needs of the entire Church. The harp can be a sign of that prayer. Finally the harp can be a sign of the music that is part of the Mass, and all church music. It should be a reminder of the saying attributed to St. Augustine that “he who sings, prays twice.”

A reminder that we will be returning to the winter Mass schedule Sunday, September 21st, when PSR Classes begin. The only difference in the Mass schedule is that the second Mass will be at 11:30 a.m. This allows sufficient time for PSR classes between the two masses.
