

Introducing our Prime of Life service for dogs and cats over the age of 8 years.

Pets go through changes as they get older. Our Prime of Life clinic gives advice on how to keep your pet in top condition in their Golden Years!

The Prime of Life Check-up is with one of our experienced qualified Veterinary Nurses and includes:-

- Top to tail examination
- Blood Pressure check
- Dental check
- Urine Dipstick test (if a sample is brought along to the appointment)

The fee for this consultation and check-up is £18

To make an appointment or for further information please call us on 01325 465371
