

Parenting is Healthcare online course

About

This 4-module online course is available to access at your convenience. It should take 2 hours or less to complete. During the course, healthcare and educational professionals will learn how to provide parents and caregivers:

- Standardized, evidence-based parenting recommendations
- Techniques and tools that support healthy parenting while managing common childhood behavioral occurrences
- Behavior tools to incorporate into workflow or practice

Learn how healthy parenting leads to healthy children. **Parenting IS healthcare.**

Registration

Deadline to register: **Friday, August 29, 2025**

You must register online to receive access to the Parenting is Healthcare course. **The course is available at no cost and is limited to the first 50 registrants who sign up.**

Presenters

- **Barbara C. Unell**, Author; Parent Educator; Co-founder, Raised with Love and Limits Foundation
- **Robert Unell**, Co-founder, Raised with Love and Limits Foundation
- **Jerry Wyckoff, PhD**, Author; Psychologist; Co-founder, Raised with Love and Limits Foundation

Target Audience

Caregivers, educators, coaches and others who want evidence-based strategies to build positive relationships with children of all ages.
