WELCOME

Welcome to visitors of our Parish, those who have recently moved into the area, and those who are comfortable and nourished here - Welcome. Regardless of your status in the Church, your marital state, ethnicity, prior religious experience, your personal history, background, or sexual orientation, we hope that you will continue to worship with us each week.

MISSION

Our mission is to be a welcoming community of believers continually growing in our faith and love of Jesus Christ through worship, education, evangelization and service within our local and broader community.

WELCOME JESSIKA!

I would like to welcome Jessika Crockett-Murphy to our parish staff. Jessika will be assuming the position of Coordinator of Parish Ministries and Programs, a position that Aaron Durocher had previously held.

Jessika is from Pembroke and graduated from Stonehill College in 2024 with a Bachelor's Degree, majoring in Political Science and Religious Studies and minoring in Ethical Leadership. She graduated from Villanova University in 2026 with a Master's Degree in Ministry and Theology and a Certificate in Higher Education Leadership. In addition to her academic studies, while at Stonehill and Villanova, Jessika was involved in OCIA programs, peer, interfaith and woman's ministries, and student leadership, as well as civic and community engagements.

As you know, we have 38 different parish ministries, each with a lead person. In the upcoming weeks and months, Jessika will be reaching out to the ministry heads and volunteers to meet them, to learn about their ministry, and how she can support them. My hope is that we not only support the present ministries, but identify and develop new ones to meet the needs of the parishioners and challenges of evangelization. Jessika will benefit and learn from the faith and experience of our parishioners, as we hope to benefit from her youthful ideas, enthusiasm and faith. Jessika's office is located at St. Basil's Chapel and can be reached by contacting the parish office.

ANNUAL APPEAL AND CATHOLIC APPEAL: WHAT'S THE DIFFERENCE?

You (and I) receive many requests for our financial contributions that it can be confusing especially when our parish and the archdiocese both ask for your support. I would like to clarify these two collections in particular.

The Annual Appeal (which we are presently taking) is for OUR PARISH ONLY. All proceeds fund our parish's operating and maintenance costs and make up for the deficit from what we receive in our weekly collection.

The Catholic Appeal (usually taken in late Jan-Mar) is for the Archdiocese and the many agencies and programs that support parishes, training, oversight and many ministries throughout the archdiocese.

- Fr. Devine

LIFTING THE LORD BIBLE STUDY

*Tuesdays at 6:30 PM,
beginning THIS TUESDAY, OCT. 20!
Parish Center*

Have you ever wanted to read the Gospel, but didn't know where to start? No theology degree required! **Join Seminarian Ryan and dive into the Gospel according to Matthew, exploring the earthly life of Jesus Christ.** We will jump into His teachings, miracles, encounters with others, and ultimately His Passion, Death, and Resurrection. We will look at what Matthew has to say about following Christ, handling life's challenges, relationships with others, and growing in holiness. *Registration is preferred but not required. Visit our website to sign up!*

HOLY COMMUNION: WHEN TO KNEEL WHEN AND SIT

Kneeling is one of the deepest signs of respect we have in the Catholic Faith, and as such we often kneel before the Eucharist, which is God Himself, who deserves our highest respect. We do this often throughout the Mass, but there's also a rhythm to how and when we kneel. Typically, we begin to kneel during the Eucharistic prayer, when the host is being consecrated, when Jesus Christ becomes present again body, blood, soul, and divinity. During this portion of the Mass, we continue to kneel and stand rather than sit, unless of course, people are unable to kneel.

However, once Holy Communion has ended and the Eucharist is placed in the tabernacle and the tabernacle door is closed, people are free to be seated or kneel if they choose, while the priest cleanses the chalice and sacred vessels. You need not wait until the priest sits to do so yourself. As always, pray in the manner that best connects you with the God whom we have all come to worship.

SIGNATURES BEING COLLECTED THIS WEEKEND TO SUPPORT A REFERENDUM TO REPEAL THE RECENTLY ENACTED ABORTION LAW!

A statewide referendum effort is underway regarding Chapter 188 of the Acts of 2026, the recently enacted Massachusetts abortion law. Organizers are collecting signatures from registered Massachusetts voters to place the law before voters through a formal referendum. The petition needs 37,289 certified signatures to qualify for the referendum, but if 49,716 certified signatures are collected, the law can also be suspended while Massachusetts voters await the formal referendum. **Members of our Pro-Life committee will be collecting signatures for this important initiative after all Masses THIS WEEKEND October 17-18. Please stop by their table! For information about the referendum, visit REPEAL188.COM.**

KIM'S RESPECT LIFE CORNER

Every week, throughout the month of October (Respect for Life month), Kim Sousa, our parish Pro-Life Chairperson, will be sharing thoughts on what it means to be pro-life. See her comments below.

Our society often celebrates independence, strength, productivity, and youth. But the Gospel teaches us that our worth is never determined by our physical abilities or what we can contribute to society. Illness, disability and aging does not diminish a person's dignity. When someone becomes dependent upon others, that person does not become less valuable. Instead, we are now given an opportunity to practice the love of Christ through patience, service, and companionship. Jesus repeatedly drew near to people who were sick, marginalized, and vulnerable. He did not treat them as burdens. He saw them as beloved children of God. As Christians, we are called to create communities where people with disabilities are welcomed, where the elderly are honored for who they are, and where those who are sick are surrounded by love rather than isolation. No one should ever feel that they are a burden to us or to society. Sometimes our greatest ministry is simply being present. A phone call, a visit, a meal, a ride to an appointment, or a few moments spent listening can remind someone that they are not forgotten, that they are loved, and that they are never alone. Please, Lord, help us from seeing anyone as a burden. Teach us to recognize the gifts that every human person brings to our community.

What an incredible weekend! Our Inspire Bridgewater teens and adults spent the weekend of Oct. 2-4 putting their faith into action, serving veterans, seniors, local residents, MainSpring House, our Senior Center, and our own parish. But the most meaningful part wasn't the work we accomplished. It was the conversations, stories shared, and connections made along the way. On Saturday evening, we invited the residents we served to join us for dinner, and hearing them share how loved, supported, and grateful they felt simply because someone took the time to lend a hand was something we won't soon forget. Thank you to Prisco's Market for providing our Saturday dinner, Freccero Medical Associates and Rosha Landscaping for their support and donations, and the wonderful parishioners who helped make this weekend possible. A special thank you to the amazing adults who gave up their entire weekend to serve alongside our teens, some even sleeping on air mattresses at the parish center! My hope is that Inspire Bridgewater continues to grow and even more parishioners get involved. There is something special about serving our own neighbors and sharing God's love here in our community! - *Jennifer Rosher, Coordinator*
