Everybody's Talking!

Painted revival: In Stornara, a small town in southern Italy, faded walls have become canvases for renewal. Once nearly deserted, the community invited artists from around the world to fill its streets with vivid murals, turning empty storefronts and crumbling homes into works of art. What began as a local project led by artist Lino Lombardi has grown into an annual festival that now draws thousands of visitors each year. The colorful transformation has boosted tourism, opened new businesses, and even encouraged families to move back. Each mural reflects the town's history and spirit in vivid detail. Today, Stornara is recognized as a model for how art can revive small communities.

Sweet support: Locals in southern Florida (U.S.) rallied behind ice cream vendor Don Tomas after a short video captured him pushing his cart for miles under the hot sun. Without a truck or trailer, he's spent years walking neighborhood to neighborhood, earning smiles and loyal customers along the way. When a passerby recorded his determination and shared it online, the clip quickly gained traction and inspired a fundraising campaign. More than \$20,000 (USD) has been raised, helping Tomas secure better transportation and equipment for his rounds. Known for his upbeat attitude and tireless work ethic, he's now locally recognized as an inspiring example of everyday perseverance.

Ancient voyage: A team of researchers from Japan and Taiwan recreated a prehistoric sea journey to understand how early people may have traveled between islands thousands of years ago. Using replicas of 30,000-year-old tools, they hollowed out a single cedar trunk to craft a canoe and paddled it from Taiwan to Yonaguni Island, Japan. The group relied on the sun, stars, and ocean swells for direction while navigating powerful currents in the East China Sea. The 140-mile (225 km) trip took nearly two days of continuous paddling. Their success suggests ancient travelers could have completed similar crossings, using skill and determination to explore new regions long before modern navigation existed.

Canine hero: In Siyathi village, India, a young dog named Rocky became an unexpected hero when torrential rain triggered a sudden nighttime landslide. Sensing danger, he barked loudly until his owner woke up to find cracks forming in the wall and water seeping inside. The man quickly gathered his family and rushed out to alert others in the village. His urgent warnings allowed neighbors to escape before the slide destroyed multiple homes. Locals credit the dog's sharp instincts and his owner's quick response for preventing tragedy. Rocky was briefly trapped during the chaos, but later was safely rescued, earning lasting gratitude from the community he helped save.

LEO

(July 23 - Aug. 22)

Leos often like to keep things sunny, rather than looking at shadows. At midweek, this dynamic may create a conflict to face to successfully complete your endeavors. Lucky numbers: 6, 17, 18, 30, 31, 42.

VIRGO

(Aug. 23 - Sept. 22)

Virgos often are not good at showing off their ability to navigate and complete tasks. The end of this week may be a good time to highlight your talents to others. Lucky numbers: 2, 10, 28, 32, 33, 46.

LIBRA

AQUARIUS

(Jan. 20 - Feb. 18)

You may be presented with lots of options to achieve your goals. If you become overwhelmed trying to choose, look for the one that aligns with your values. Lucky numbers: 17, 19, 24, 26, 33, 43.

PISCES

(Feb. 19 - March 20)

Lucky numbers this week: This week's odds favor Sagittarius winners with the luckiest number being 14.

Did You Know...

Shadow superstition: Groundhog Day began as a belief among settlers in Pennsylvania (U.S.) that the animal's shadow could reveal the length of winter. A visible shadow meant more cold weeks ahead, while no shadow was taken as a sign of early spring.

Cookie craze: Girl Scout Cookies began as a part of simple bake sales and grew to a nationwide tradition. What started in one small community later expanded into a seasonal fundraiser, with new flavors, packaging, and online orders keeping the tradition alive.

Bet book: Dr. Seuss, the famous children's author, once accepted a challenge to write a story using only 50 words. The result was *Green Eggs and Ham*, and from a playful bet came one of his most celebrated books.

Heart finger: In many Western traditions, a ring on the left ring finger signals marriage, rooted in the old belief that a vein ran from this finger to the heart. Over time, it came to symbolize love, stability, and lasting devotion.

Shakespearean chickens: The idea of calling cowards "chickens" can be traced to William Shakespeare, who used the image of frightened soldiers scattering like birds. From there, the term stuck and grew into phrases like "chicken-hearted."

On the Lighter Side

Why was the mushroom the hit of the party? Because he is a fungi.

People who buy books on lawncare become good weeders.

Ed's parents have another son named Ed. Two Eds are better than one.

Diner: "Is there any stew on the menu?"

Waiter: "Yes, but I wiped it off."
