Avanti Roofing, and the owner (Jim McBride) are amazing. They just replaced my roof and repaired a lot of damage. The bid was reasonable, the work quality was amazing, and it was done very quickly. Jim was involved through the whole process to make sure everything was done right. *It was one of the best customer service experiences I've ever had.*

- Chris, Austin,

Avanti Roof did an outstanding job on my roof from start to finish. The owner, Jim, was thorough throughout the process, from taking pictures and working with the insurance adjuster to providing the estimate and completing the job. I am very pleased with the results and will definitely consider using this company again in the future.

Jim was recommended to us by a friend and I can 100% see why. He was quick to respond and worked hard to get us on his schedule , so that our roof leak would be fixed ASAP. He was friendly and easy to talk to. Just a great experience.
