

Brunswick™

Transitional Design with a Modern Edge. The Brunswick Collection brings together the warmth of natural wood with the strength of metal, delivering a refined, transitional style with an American sensibility. Clean lines, mixed materials, and versatile finishes make it a standout in any space.

Available in 30", 36", and 48" sizes, Brunswick features solid wood construction, water-resistant finishes, and humidity-resistant craftsmanship for long-lasting beauty and durability. Metal legs add an architectural touch, while your choice of White washed Oak, Natural Oak, or Walnut finish ensures a perfect fit for any style.

Chesterton™

Timeless Craftsmanship. Effortless Elegance.

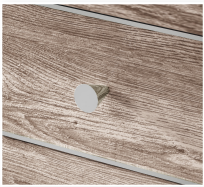

The Chesterton Collection blends traditional charm with modern luxury. Available in 30", 36", and 48" sizes, each vanity is handcrafted from solid wood and built to endure with water-resistant finishes and humidity-resistant construction. Choose from four rich finishes—White, White washed Oak, Walnut, and Natural Oak—and three hardware options: Black, Polished Chrome, or Brushed Gold. Paired with a white or black marble composite top (with backsplash and pre-installed CUPC-certified sink), Chesterton is both beautiful and built for real life.

Serenity™

Freedom to Create. Designed to Adapt.

The Serenity Collection redefines vanity design with its unique modular concept—offering the freedom to mix and match sizes for a look that's distinctly your own. Whether you prefer a perfectly centered silhouette or a dramatic offset pairing—like a 36" top over a 48" base—Serenity makes it possible. Clean lines, floating installation, and customizable configurations allow you to shape your space with balance, contrast, or asymmetry.

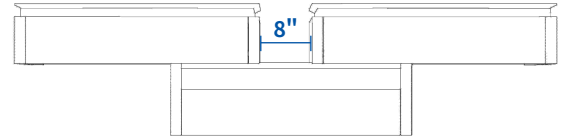

Visit us at www.bellousa.com to explore the full range of modular options and find your perfect fit.

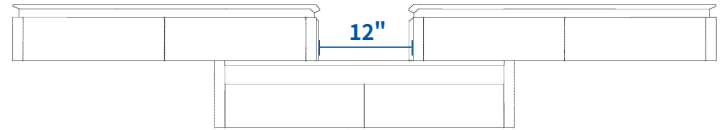

Top Stack A

For example

$$80''\text{vanity} = 36''\text{vanity top} + 8''\text{space} + 36''\text{vanity top} + 36''\text{vanity bottom}$$

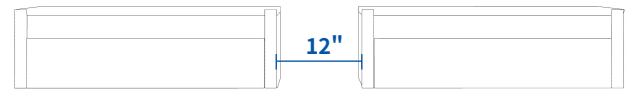

$$108''\text{vanity} = 48''\text{vanity top} + 12''\text{space} + 48''\text{vanity top} + 48''\text{vanity bottom}$$

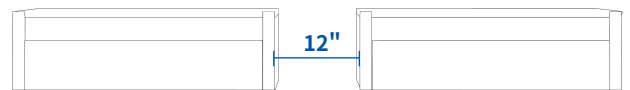

Bottom Stack B

For example

$$84''\text{vanity} = 36''\text{vanity bottom} + 12''\text{space} + 36''\text{vanity top} + 36''\text{vanity bottom}$$

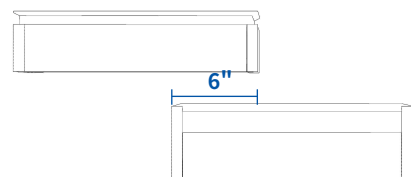

$$84''\text{vanity} = 36''\text{vanity bottom} + 12''\text{space} + 48''\text{vanity top} + 36''\text{vanity bottom}$$

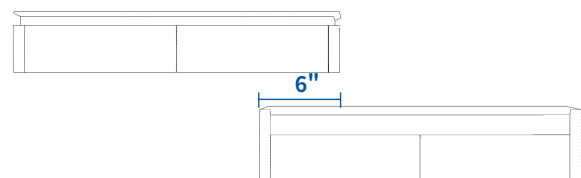

Offset C

For example

$$66''\text{vanity} = 36''\text{vanity top} + 6''\text{overlap} + 36''\text{vanity bottom}$$

$$90''\text{vanity} = 48''\text{vanity top} + 6''\text{overlap} + 48''\text{vanity bottom}$$
