*Little Indian Chef* gives you traditional foods where you can be introduced to the culture & culinary arts of India. The arts of India cookery lies not in the high spicing but in the subtle use of delicate spices to enhance the dormant flavours & subdue the undesirable ones.

Indian cooking is known for it's spicy though not necessarily hot cuisine.

The real art lies in the blending of these fresh natural ingredients of the highest quality, cooked with skill and finesse. Indian food is brought to you with the best effort of our team of professional chef's from various regions of India & Bangladesh.
