About Our Speaker

Angie Schwieterman is a local author from St. Sebastian. She moved to the area following her marriage to Ryan in 2011 and settled into life on the farm, joyfully raising their children, living her life like a fairytale. Her picture-perfect life was shattered when a sonographer declared a death sentence over their unborn child. Angie spiraled into despair and her faith faltered.

After their daughter miraculously survived, she struggled with her new role as mom to a special needs child. Journaling started as a way to process all her pain, and hope began to spring forth on the pages of her notebook as she turned to Scripture for strength. Come hear Angie as she shares a journey of faith how God revealed himself to her, Mayah's journey of life, and how she was called to totally surrender. She will have copies of her books for sale at the Spa.

Registration is open until March 29th or until filled to capacity.
