Dear Parishioners,

Happy Easter! May the joy of the Resurrection fill you this Easter Season and always!

On that First Easter the disciples found the tomb of Jesus empty. The joy of the Risen Christ is so much more than an empty tomb. The joy is more than the hope of an unending life known as eternal life. When we come to know Christ and experience the joys that he reveals to us through His Church, we come to the Mystery of eternal life revealed to us through the Resurrected Jesus.

Eternal life is participation by us in the life of Christ that is in the life of God through Christ the Eternal Son. We participate in this life through the liturgy and receive grace through the sacraments and the life of the Church. May our lives be powerful in witness that draws members of the Church to be active and aware of the presence and power of Christ among us! Lord, may we always be people of the Resurrection sharing your life and love with all that you call!
