WHAT IS **STANDARD OF CARE?**

Our Standard of Care is based on research and experience across the industry rather than the personal opinion of a single financial professional. We have defined our own Standard of Care for clients and strive to provide them the highest level of holistic care possible.

IMPORTANCE OF CHECKLISTS

We realize the importance of providing a thorough and complete financial plan and that is why we feel that utilizing a checklist is imperative with each and every client. We do this to help determine what strategies are appropriate for you. We consider many opportunities at all walks of life including age, wealth and life events and institutionalize the execution of the ideal vision for each client through the use of checklists. This checklist provides triggers for us to engage with you on new issues and helps you understand why a new strategy is being discussed. We want you to understand the motivations behind our recommendations.
