FIRESIDE ACCESSORIES
PRODUCT GUIDE
2024

Welcome to our updated product guide for the 2024 season. We continue to develop our fireside range to best serve our customers, introducing a new range that's in-line with popular design trends.

From classic to contemporary, our carefully curated selection of fireside products has something for every discerning homeowner.

Whether you're familiar with these products, or if you're new to them, we hope our renewed guide will be of interest and use to you.

If you have any questions or would like to talk to our friendly support team, please contact us. We look forward to serving you this season.

Index

Due to continual product development and improvement, specifications may change between the production of this guide and delivery of goods. All measurements are approximate and refer to overall size. Descriptions such as 'Antique', 'Brass', 'Chrome', 'Pewter' etc. refer to colour/finish and not material composition. Where natural materials have been used, shades may vary from the images show. All images are subject to copyright.
