## Sunseeker Camargue 51

Featuring a luxurious high-gloss cherry interior in excellent condition, with recently replaced carpets and three comfortable cabins, she offers exceptional accommodation for family cruising or entertaining.

Powered by twin **FPT Cruiser 9 620hp six-cylinder turbocharged diesels**, installed new just five years ago (approx. 600 hours, serviced August 2025), she delivers **38 knots top speed** and an effortless **25-knot economical cruise**. These modern engines are over **30% lighter and more fuel-efficient** than the original Detroit's, providing improved balance and performance.

Navigation and electronics have been comprehensively updated with a **Raymarine 14" multifunction touchscreen, 4kW digital radar, Raymarine autopilot with gyro compass, and TriData speed/depth** system.

### Luxury Cruiser – Impressive Styling, Power, and Comfort

This beautifully maintained performance cruiser combines striking style with exceptional capability. Her cabins and saloon are fully air-conditioned, ensuring comfort in all conditions, while a reliable **Kohler 10 kW diesel generator (1,500 rpm)** provides power away from the dock.

Powered by **twin FPT Cruiser 9, 620 hp diesel engines**, she delivers impressive performance and smooth handling. New propellers, perfectly matched to the FPT engines, were fitted in 2022.

**A survey by Matt Folks (June 2025)** confirms the vessel's excellent condition, and both **engine start and domestic batteries** were replaced in **August 2025**
