Description:

This is a fantastic opportunity to acquire a 2000 model Sealine T46 fitted with the larger Volvo TAMD74P EDC with 3 en-suite cabins!!!

Comfortable accommodation featuring a large double aft cabin with en-suite head and separate shower, large double forward cabin with en-suite access to the day head and twin bunk cabin with en-suite head opposite her galley with all the usual mod-cons featuring a large fridge, oven/grill, double sinks.

The Sealine T46 is an excellent sea going vessel with the added bonus of having a very high level of options fitted making her the ideal family cruiser.

Part exchanges may be considered.

Contact Derek to arrange a viewing today.

Accommodation:

8 berths in 3 en-suite cabins plus saloon double berth conversion

The superb Sealine T46 Motor Yacht provides an unmatched combination of aft-cabin cruising comforts and exhilarating performance. The teak-laid, full-width bathing platform, cockpit and flybridge signify the high standard specification of the T-series range, as do the stainless steel windows, portholes and fender strips. The layout of the deep, safe cockpit and imposing flybridge provides ample seating and sunbathing areas for entertaining and relaxing. Storage lockers in the flybridge. The bathing platform has a shower, swim ladder, and a passerelle/dinghy crane.

A large, curved sliding door leads to the saloon which offers custom reclining seating with additional seating opposite. The saloon also has a TV / DVD, an additional cocktail cabinet, and a separate saloon fridge. The lower helm offers excellent all-round visibility and the separate helm seats provide both comfort and easy access.

The comprehensive all-electric galley has a ceramic hob, microwave, large fridge with separate freezer, and twin sinks set into a Corian worktop.

The aft double master cabin has separate toilet and shower compartments, a dressing table, and features an access hatch to the bathing platform.

The forward double cabin has en suite toilet and shower.

Twin bunk cabin with storage and en-suite heads compartment to provide full, luxurious sixberth accommodation.

The matt cherry wood interior provides a soft, restful effect to complement fabric upholstery. Capable of speeds in excess of 30 knots, the T46 is a true, luxury performance motor yacht.
