Sunseeker Camargue 50 HT

In 2025 the hull was professionally repainted, giving the boat a sharp, refreshed appearance. The navigation package was updated with a Raymarine Axiom Pro plotter (2020), and a new bow thruster was fitted in 2024 to enhance manoeuvrability. The cockpit upholstery was renewed in 2022, bringing the exterior spaces up to a modern standard and complementing the boat's overall presentation.

These updates, along with a broader programme of ongoing improvements, make this a particularly well-sorted Camargue 50 HT. She offers the timeless lines and solid performance Sunseeker is known for, combined with up to date equipment and a clear history of careful ownership.

Available for viewing by appointment. Please contact us for full details and to arrange a viewing.

Part exchanges will be considered.

Recent Works & Upgrades

This boat has seen extensive recent investment, with significant mechanical, cosmetic and comfort upgrades carried out over the past few years.

In 2025 the hull was fully repainted, followed by a professional polish and ceramic coating. She has also been antifouled in 2025, with Prop Speed applied to all stern gear.

Sunseeker Camargue 50 HT

Tide Marine shaft seals were fitted in May 2025, and the rudders were removed in 2023 to install new gland seals. Cutless bearings were replaced in 2023.

Mechanically, both turbos were renewed in 2022, along with new bronze seawater pumps and freshwater pumps the same year. A new starter motor was fitted to the port engine in 2024. The engine room fire suppression system was upgraded in 2022, replacing the original factory installation.

Handling has been improved with a new bow thruster and remote control (2024).

Comfort upgrades include two new Dometic air conditioning units (2021), a larger 30-litre hot water cylinder (2022), and a 5kW Eberspächer heating system to the cockpit (2022).

Cosmetically and practically, she benefits from new cockpit upholstery (2022), new carpets (2024/2025), a new cockpit cover (2023), a new flybridge teak table (2022), a replacement fold-away cockpit table (2023), and a new ice maker (2023). All cabins received new televisions in 2020. A Raymarine rear-view camera was added in 2023 and integrated into the plotter system.

Accommodation:

4 Berths in 2 cabins

The forward owner's cabin is centred around a double berth with storage beneath, complemented by twin hanging lockers and a dressing table. Finished in cherry wood throughout, the space feels warm and inviting, with good natural light provided by an overhead hatch. The private en suite includes a separate shower compartment, electric toilet and a washbasin with mirrored storage.

Amidships, the saloon offers a generous U-shaped leather sofa arranged around a folding cherry wood dining table. Opposite, the entertainment system is neatly integrated within surrounding cabinetry. Portholes on both sides bring in plenty of daylight, creating a comfortable setting for dining or relaxing.

Located opposite the saloon, the galley is practical and well equipped, featuring a ceramic hob, microwave, fridge-freezer and stainless-steel sink, along with ample cupboard space. Its open design keeps it connected to the main living area while remaining easy to use at sea.

Aft, the guest cabin provides twin single berths, wardrobe space and additional storage. It also benefits from its own en suite with shower, toilet and basin, offering a private and comfortable space for family or guests.
