Solent Motor Yachts normally acts as a broker for the vendor who unless otherwise stated is not acting in the course of a business. Whilst every care has been taken in the preparation of these particulars the correctness is not guaranteed and they are intended as a guide only and do not constitute a part of any contract. A prospective buyer is strongly advised to check these particulars and where appropriate and at his own expense to employ a qualified marine surveyor to carry out a survey and/or to have an engine trial conducted which if conducted by Solent Motor Yachts shall not imply any liability on our part.

stands out with distinctive, slanted mid cabin stainless steel portholes and a multi-level saloon that maximizes natural light throughout.

The Sealine T50 features an advanced hull developed in cooperation with the high-speed boat authority Ocke Mannerfelt which provides a stable ride and efficient performance across all speeds.

This Sealine T50 benefits from the largest engines option, the Volvo Penta D9 – 575hp, which gives over 30knots subject to conditions.....and should you wish to....Combined with “SECS” the astonishing Sealine Extending System which slides the rear cockpit seats aft to make the cockpit larger than most 60 footers....

Part exchanges may be considered.

Currently out of the water at our address and available to view at almost anytime.
