Description:

The **Beneteau Antares Series 9** represents the ultimate expression of the "weekender" concept, seamlessly balancing family cruising comfort, fishing versatility, and offshore capability. Celebrated for its intelligent use of space, sturdiness, and luxury, it functions less like a traditional day boat and closer to a high-end compact motor cruiser.

Owners comment:

We have really enjoyed Charm since we purchased her in 2021 and have run hassle free along the South Coast.

She has been very reliable and has been very well looked after with great service history.
Custom foam mattress topper for the fore cabin for incredibly comfy overnight stays.

We will be sad to see her go and are only selling to upgrade to a larger boat....
