### Description:

This Sunseeker Portofino 48 is a particularly well kept example of a model that remains one of Sunseeker's most usable and well proportioned sports cruisers. Powered by twin Volvo IPS

**t: 01489 886663    m: 07917 148807 e: [sales@solentmotoryachts.com](mailto:sales@solentmotoryachts.com)**  
 Solent Motor Yachts, Hamble River Boat Yard, Bridge Road, Swanwick, Southampton SO31 7EB

## Sunseeker Portofino 48

600s (435hp each) with under 400 engine hours, she delivers performance, smooth cruising and the added confidence of joystick control and Dynamic Positioning for stress free close quarters handling.

The cockpit is where this boat really comes into its own. The hardtop provides shelter when needed while still keeping the space open and social. Teak decking, a folding teak table, wet bar with ice maker and electric griddle make it a practical setup for entertaining. The hydraulic bathing platform, launch system for a Williams 325 makes it easy to launch the tender and keep neatly stored in its closed garage.

Below deck, the accommodation feels bright and well finished. The satin walnut interior gives a warm, contemporary look, complemented by the larger porthole option which enhances the boats nautical aesthetics both inside and out. The full-beam midships owner's cabin is generous and comfortable with its own en-suite, while the forward guest cabin offers flexible twin or double berth arrangements, also with en-suite access. Air conditioning throughout ensures comfort in warmer climates and a newly fitted heating system fitted in the cockpit.

Navigation and onboard systems are well specified, including Raymarine E120 WIDE Radar/Chartplotter, ST8002+ autopilot, ST70+ depth, Ray 240E DSC VHF and Volvo's IPS GPS station-holding system. The generator has been upgraded to a 7kW Kohler unit, and practical additions such as a freshwater deck wash, upgraded anchor winch, additional chain and searchlight reflect a thoughtful specification.

This example is ready to cruise the South Coast in comfort and the style that only a Sunseeker can offer.

Part exchanges maybe considered.

Contact Derek to arrange a viewing of this outstanding example.

### Specification and equipment:

- Construction: GRP
- Hull Colour: White
- Drive Type:
- Maximum Speed: 32 knots (approx.)
- Cruising Speed: 24 knots (approx.)
- Hull: Planing

2 x Volvo Penta D6 435hp engines on IPS600 drive with under 400hrs
