Solent Motor Yachts normally acts as a broker for the vendor who unless otherwise stated is not acting in the course of a business. Whilst every care has been taken in the preparation of these particulars the correctness is not guaranteed and they are intended as a guide only and do not constitute a part of any contract. A prospective buyer is strongly advised to check these particulars and where appropriate and at his own expense to employ a qualified marine surveyor to carry out a survey and/or to have an engine trial conducted which if conducted by Solent Motor Yachts shall not imply any liability on our part.

## Bavaria Sport 31

The Bavaria Sport 31 certainly comes with big wraps. Words like excitement, comfort, space, speed, safety, manoeuvrability, handling and practicality are liberally spread across the reviews by highly regarded critics around the world.

The clever use of space by Bavaria enables a lot of bigger boat features to be included in the 31. The seating in the cockpit is a perfect example. A forward facing co-pilot seat when underway can be flipped to rear facing, thus also increasing the capacity when sat around the table for lunch. One space, two solutions!

And that is before you consider the huge internal headroom which is more similar to that of a 40 footer.

This example is powered by a single D6-370hp engine which gives excellent performance with a sensible economy and has been lovingly upgraded by the current owner and also comes with all the extras required to cruise the South Coast in comfort.

Just reduced by £10k making her an exceptional opportunity to get afloat...

Part exchanges may be considered.
