## Fairline Squadron 42

The accommodation comprises two comfortable cabins, with additional berths in the saloon allowing for up to six guests. The saloon and galley are arranged to create a bright, sociable main living area, well suited to both weekends aboard and extended cruising.

Externally, the cockpit provides a spacious entertaining area, flowing naturally from the saloon, while the flybridge offers further seating and excellent visibility from the upper helm. The bow area adds another usable space for relaxing at anchor. The cockpit and flybridge upholstery have recently been renewed, giving the boat a clean, updated appearance.

Equipped with a bow thruster for easy manoeuvring, generator for independent power, and Eberspächer heating for comfort in cooler conditions, she is well suited to UK cruising.

Part exchanges may be considered.

Contact Derek or Richard to arrange a viewing as you will not be disappointed.

### Specification and equipment:

- Construction: GRP
- Hull Colour: White
- Drive Type: Shaft drive
- Maximum Speed: 30 knots (approx.)
- Cruising Speed: 25 knots (approx.)
