Jeanneau Leader 8

Measuring just under 30 feet with a generous 10-foot beam, this pocket cruiser packs the amenities of a much larger vessel into a highly manageable, agile package.

On Deck: Exceptional Entertaining & Smart Design

The outdoor spaces are built for socialising and relaxation. At the stern, an extended teak-laid bathing platform offers effortless access to the water, perfect for swimming or launching water toys. The spacious, sun-drenched cockpit features a square seating arrangement with a premium foldable dining table, which quickly and easily converts into a massive, plush sun lounger.

The ergonomic helm station is a driver's dream, featuring a two-seater design with pop-up bolsters, effortless single-throttle controls, and a tiered dash tailored for flush-mounted electronics—all framed by a stylish GRP radar arch and a full camper hood configuration for all-weather protection.

Below Deck: Bright, Modern, and Habitable Luxury

Slide open the companionway to discover a wonderfully bright and airy cabin, illuminated by a large glass ceiling panel and oversized hull windows. The contemporary interior features lighter, matte-finish woodwork that creates a fresh, upscale ambiance.

Versatile Saloon: The forward u-shaped dinette serves as a spacious indoor dining area by day and smoothly converts into a comfortable double berth at night.

Mid-Cabin Master: A dedicated mid-cabin boasts a fixed, transverse double berth, plenty of storage, and a large window equipped with integrated blinds.

Fully Equipped Galley: Features a high-quality Corian worktop, twin-burner hob, microwave, refrigerator, and deep storage lockers for extended trips.

Separate Heads Compartment: A clean, modern head equipped with a marine toilet, sink, pull-out shower, and privacy blinds.

Performance & Specification Highlights

Exceptional Build Quality: Built by the legendary Jeanneau shipyard with a focus on seaworthiness and family safety.

Ashore/Afloat Amenities: Bow thruster for stress-free docking, electric anchor windlass, and convenient walking decks on both sides for secure movement on deck.

Turn-Key Preparedness: Professionally maintained and thoroughly valeted, making this classic family cruiser entirely ready for its next adventure.
