LYING: Southampton

PRICE: £699,950 (tax paid)

Description:

What a fabulous opportunity to acquire a true thoroughbred Sunseeker flybridge motor yacht. This Sunseeker Manhattan 53 was built as the 2012 Southampton "Show Boat" - to a full 2013 Model Year Specification (with corresponding HIN number) and as such, is absolutely loaded with all typical options. She is with her third private owners from new, having always been berthed here on the UK South Coast.

Solent Motor Yachts, Hamble River Boat Yard, Bridge Road, Swanwick, Southampton SO31 7EB

Sunseeker Manhattan 53

Powered by a pair of the larger-option MAN R6 800 shaft drive diesel engines, she is effortless through the water and offers docile close-quarters manoeuvring due to a rare (and highly expensive!) proportional hydraulic bow and stern upgrade from build.

With a little over 250hrs running from new, she has seen extremely light use and her present condition is well above-average for her year.

Many many recent upgrades have been carried out by her enthusiastic owners, a full detailed spreadsheet with all costings is available to interested parties, but in excess of £100k has been spent since Autumn 2021. Re-launched in late March, she has recently undergone all pre-season maintenance works - including fresh antifouling, anodes, hull polishing etc. Engine service carried out Sep 22 by main dealers PME, she is truly turn-key and ready to set sail into the 2023 season and beyond.

Inventory highlights include aforementioned thrusters, new flybridge bimini, full suite of Raymarine navigation equipment - colour plotters, radar, autopilot, docking camera, DSC VHF, AIS transceiver, reverse-cycle air conditioning system (inc crew cabin), hydraulic passerelle, hydraulic high-low bathing platform, TVs to all cabins plus high-low unit in saloon with surround sound system, teak decking to cockpit sole, bathing platform & flybridge floor, flybridge cool box and BBQ, Pepwave 4G onboard router system, bow sunbathing cushions, JPS joystick system with dynamic positioning, dishwasher, upgraded 11kVA generator, underwater lighting and much more.

Contact Derek to arrange a viewing today.

Specification and equipment:

- Construction: GRP
- Hull Colour: White
- Drive Type: Shaft drive
- Maximum Speed: 32 knots (approx.)
- Cruising Speed: 25 knots (approx.)
- Hull: Planing

2 x Man R6 - 800hp diesel engines with only 254 hours

JMS Joystick with dynamic positioning to both helms

Accommodation:

6 Berths in 3 cabins plus single crew cabin

Black American satin walnut joinery with cream carpets and upholster with upgraded black porcelain tiles to galley floor and Roman blinds

Main-deck saloon with large raised dining area forwards and social L-shaped seating aft, which flows nicely into the aft cockpit via sliding patio doors.

Spacious cockpit with large sunpad and C shaped seating around a teak table.

Well-equipped lower-deck galley with plenty of cupboard storage space, electric oven, Vitrofrigo S/S fridge with twin drawer freezer, large stainless sink, Miele dishwasher and electric ceramic hob.

Master stateroom midships with large centreline island double berth, sideboard arrangement for additional storage to port, a good sized wardrobe, plus standard linear sofa to stbd side of bed, making light work of extended time onboard.

En-suite comprising of a fixed shower stall, plus electric vacu-flush toilet and hand basin

VIP guest cabin forwards with centreline island double berth, hanging locker plus high-level cupboards either side of bed

En-suite access to day heads compartment, with shower stall, vacu-flush toilet system and hand basin

Third guest cabin to Stbd with twin single beds (rare on a vessel of this size where you would usually see bunks), opening portlight and hanging locker

Crew cabin accessed directly off the bathing platform - offers a single transverse bed, hanging locker and separate heads compartment. This space doubles-up as a handy storage area for provisions
