The spacious cockpit lounge easily converts into a large sunbed, while the outdoor galley adds a touch of class and convenience for on-deck entertaining. Sunseekers will love the generous bow sunpad, and the bright cabin below receives ample natural light thanks to the large panoramic windows.

Below deck, the interior offers surprising volume with a spacious and easily accessible midcabin double berth. When the indoor saloon is converted, there is comfortable sleeping space for up to four people. The wet room is cleanly designed and low-maintenance, ideal for extended stays.
