Description:

The very design of the BAVARIA S29 Open tells you that this is a yacht with a great deal of power and sporting ambitions. She is ideal for those who like to go fast on the water and have an ergonomic helm with a clear layout to make this child's play – just one of many special features. In short, with the BAVARIA S29 Open there is nothing stopping you from having a relaxing day at sea with family and friends. Sporty driving pleasure is guaranteed!

Bavaria S29 Open

Fantastic performance and sound with its installed Mercury 6.2l 350BHP petrol engine. But also great fuel economy and significantly reduced servicing compared to the less powerful diesel engine option.

An ideal first boat or family upgrade, the S29 boasts huge amounts of storage including a massive space under the sun pad, two comfortable double berths, bathroom and ample sunbathing areas. Making it a sublime sports-cruiser for unforgettable long weekends on the water.

Part exchanges may be considered.

Contact Derek & Richard to arrange a viewing today..

Aft cabin with a large double berth under the cockpit sole

Separate head with manual sea toilet to a holding tank, sink, shower and storage

Manufacturer's descriptions:

It's like driving a car – everyone has their own driving style. And on the water it is no different. That is why you also have the choice of six drive concepts with the BAVARIA S29. There is one to suit every style – from highly economical to particularly powerful, whichever you prefer. The teak bathing platform – an impressive touch of class.

Clever engineering ideas such as automatic ventilation of the engine compartment are a great plus. Added to that is an intelligent layout on deck, in the cockpit and below deck. With the BAVARIA S29, every second on the water is tremendous fun. In every moment. Enjoy her nimble sportiness while you speed over the water and her smart amenities while lying at anchor – such as the bathing platform and the generous space below deck.

Below deck of the BAVARIA S29 is simply the best place to end a nice day at sea. Whipping up a meal for four people is a joy in the galley. And if your guests want to stay longer, no problem – the saloon table can be lowered and the area transformed into a comfortable double bed. The attention to detail that is so typical of BAVARIA is also evident here.

You don't need much for short cruises with family and friends. The galley aboard the BAVARIA S29 has the best of the most important features – a 50-litre refrigerator, a ceramic hob and a chic stainless steel sink with a practical cover. You can put something delicious on the table here even with only the bare necessities.

Not only the generous living area but also a spacious double cabin in the stern with two-metre-long beds and a functional bathroom make the BAVARIA S29 a true all-rounder for long and short trips alike. A practical bench in the rear cabin makes it even more homely, cozy and beautiful.

The two-metre twin beds in the stern of the BAVARIA S29 are part of her basic equipment. But you can improvise cleverly on board this motor yacht. Should your guests want to stay longer or you want to go on a trip with four, you can easily create two more beds in the saloon.
