Jeanneau Cap Camarat 9.0 WA

The Jeanneau Cap Camarat 9.0 WA revisits the concept of the 8.5 WA, a sporty boat with a family friendly streamlined design inspired by the Cap Camarat 10.5 WA, her look is decidedly on trend!

Her traditional V-shaped hull was designed by Michaël Peters. Stable and powerful, her hull ensures excellent seakeeping and very secure handling at sea for family cruising or sporty outings.

The layout and special organisation of the Cap Camarat 9.0 WA make her the ideal boat for day trips or weekend cruises. On the exterior, the vast cockpit benefits from a helm station with seating for two, a portside galley and numerous storage options.

On the interior, the Cap Camarat 9.0 WA will delight all those who appreciate full comfort: she features a very large double berth under the cockpit sole, a V shaped saloon that also converts into a further double berth, a separate heads compartment with shower stall and copious storage.

Perfect for family cruising along the Coast or further if time will allow...

Part exchanges maybe considered.

Contact Derek or Richard to arrange a viewing today.

SLEEPS FOUR IN DOUBLE UDER COCKPIT SALE AND SALOON CONVERSION

The cockpit offers a sociable layout, with U-shaped seating surrounding the removable wooden cockpit table, an additional cockpit fridge under the helm seats and a gas hob and sink to port side. At the helm are two well positioned helm seats and helm console equipped with the Garmin chart plotter, VHF radio, Yamaha engine controls and touchscreen display and switch panel. On the bow is a large flat deck area, with cushions and lifting backrests for lounging and sunbathing, as well as access to the anchor windlass.

Below deck comprises of two large double beds one fixed position and aft and the other converts from saloon seating to a large double berth. To the port side is a well configured galley midships, consisting of a sink, fridge and storage spaces. To starboard is a good sized heads compartment, with a sea toilet, washbasin and a shower compartment, with hot and cold pressurised water.
