Description:

The Highfield Sport 560 is a fantastic versatile medium sized family rib and this example is in excellent condition. With its well renowned Aluminium hull this boat is lightweight and extremely durable proving to be a very economical boat requiring less power to keep the boat up on the plane. Perfect for beach hopping, towing toys and cruising the coast.

Solent Motor Yachts, Hamble River Boat Yard, Bridge Road, Swanwick, Southampton SO31 7EB

Solent Motor Yachts normally acts as a broker for the vendor who unless otherwise stated is not acting in the course of a business. Whilst every care has been taken in the preparation of these particulars the correctness is not guaranteed and they are intended as a guide only and do not constitute a part of any contract. A prospective buyer is strongly advised to check these particulars and where appropriate and at his own expense to employ a qualified marine surveyor to carry out a survey and/or to have an engine trial conducted which if conducted by Solent Motor Yachts shall not imply any liability on our part.

Highfield Sport 560 RIB

There is also enough seating onboard for 8 people. This boat also comes with single axle braked trailer ready to tow away and enjoy where your heart desires.

The 24 degree deadrise on this boat makes it a very capable rib (Category C) making light work of rough conditions whilst also providing stability at rest. This model comes with the following features as standard:

- Flush Mount non-return valves
- Powder coated aluminium hull
- Self draining deck
- lifting points and towing eye
- Ski pylon
- Keel guard
- PVC tube with welded seams and handles
- Brushed foam teak effect decking with blue caulking
- Integrated rear bench seat with cushion and large storage compartment
- Aft swim platforms with bathing ladder on port side
- Foot pump and repair kit
- Removable fore deck sunpad conversion
- Extreme galaxy single axle braked trailer with all over winter storage cover

The Honda BF100 has recently had a full annual service carried out and has been winterised and laid up for the winter. Included in the sale of this boat is a console and helm seat cover for use on a mooring/berth and it also comes complete with a full all over winter storage cover. Both covers are made out of long lasting acrylic and have been made to measure.

Part exchanges maybe considered.

Viewing is highly recommended and she is currently on her trailer and available to view almost anytime at the Hamble River Boat Yard.

Specification and equipment:

- Construction: GRP
- Hull Colour: Black PVC Tubes with welded seams
- Drive Type: Outboard
- Maximum Speed: 33 knots (approx.)
- Cruising Speed: 20 knots (approx.)
- Hull: Planing
