Beneteau Swift Trawler 48

Description:

This is an excellent opportunity to purchase a 2023 model Beneteau Swift Trawler 48 that is built to seek new horizons and is season ready...

Enjoy the delights of the sea thanks to the generous Swift Trawler 48 exterior spaces.

The aft cockpit can fit the large flybridge table plus two director's chairs which together with the large bench seat maximise the indoor/outdoor living space.

The transom double gate opens onto a large swim platform with the optional hydraulic lifting system and integral dinghy chocks

The 20 sqm flybridge is a fantastic space for panoramic views. The transform backrests either side of the pilot seat allow plentiful forward facing seating during passage making. Aft there is a great area to eat & relax with a large expanding teak dining table and a wetbar, with BBQ, fridge, sink and storage.

On the foredeck the sunpad with lift up sections creates forward seating.

The asymmetrical deck layout allows for a wide and well-protected starboard sidedeck.

Andreani Design totally revisited the interior design and layout. A large fully-equipped L-shaped galley offers plentiful capacity for extended cruising.

Forward of the galley a spacious raised U-shaped dinette provides seating for up to 8 with great views all around.

To starboard the professional helm station has an adjacent side door for easy docking and circulation.

In the lower accommodation, the forward owner's cabin features a double berth and plenty of storage. The en-suite bathroom includes a separate shower cubicles and heating towel rails.

The port guest cabin has two single berths with an infill to make up a double berth. This cabin also features an en-suite door to the portside day head.

The starboard guest cabin has two portlights, a transverse double berth and a double door wardrobe that is large enough to take a washer/dryer (which is fitted).

Solent Motor Yachts, Hamble River Boat Yard, Bridge Road, Swanwick, Southampton SO31 7EB

Solent Motor Yachts normally acts as a broker for the vendor who unless otherwise stated is not acting in the course of a business. Whilst every care has been taken in the preparation of these particulars the correctness is not guaranteed and they are intended as a guide only and do not constitute a part of any contract. A prospective buyer is strongly advised to check these particulars and where appropriate and at his own expense to employ a qualified marine surveyor to carry out a survey and/or to have an engine trial conducted which if conducted by Solent Motor Yachts shall not imply any liability on our part.

Beneteau Swift Trawler 48

The hull windows and overheard hatches flood the cabins with natural light and cross ventilation.

Part exchanges may be considered.

Contact Derek to arrange a viewing as you will not be disappointed.
