Jeanneau DB37 IB

From day boat, to family fun boat, to cruiser, the DB/37 promises exceptional experiences on the water.

A true entertaining boat, with an optimal interior layout, she also offers the possibility of extended stays onboard... all of this with the stylish allure of elegant lines

Benefiting from all the savoir-faire and creativity of Jeanneau, the DB/37 features a streamlined silhouette designed by Camillo Garroni, with a distinctive personality.

This model perfectly represents the DB Yachts line, upholding the core principles that made the DB/43 a success. The deck plan privileges exterior space and easy movement on board, and while at anchor, side terraces can extend the cockpit toward the sea

On one level, the immense exterior living space fully opens onto the sea. The forward cockpit is easily accessible for taking advantage of the two sun loungers on the forward sundeck.

Guests will fully benefit from the functionality of the central island galley: its large Corian countertop becomes a gathering place for enjoying refreshments and special moments together.

The interior of the DB/37 fulfils all the promises of the DB Yachts line, with refined touches, fine materials, thoughtful details, and a warm atmosphere, all enhanced by natural lighting diffused through vast windows in the hull

The hull designed by Michael Peters Yacht Design features excellent handling. This model is available in an inboard version, with twin Volvo D4-320 engines on sterndrives with aquamatic joystick she is a true delight to handle to make even a beginner look like a professional....

Inviting and protective, the DB/37 is designed for you to fully benefit from the sea, to experience and share unforgettable moments.

Part exchanges will be considered.

Contact Derek or Richard to arrange a viewing today.

Specification and equipment:

- Construction: GRP
- Hull Colour: custom 'Azure Metallic' wrap
- Drive Type: Inboard
