

The aerospace challenge

Specialist distribution for critical procurement

Challenge Charcroft with your most complex procurement for defence, aerospace and other harsh or high-end applications. The combination of specialist systems and expertise, with over 40 years as a preferred supplier to major aerospace OEMs, ensures faster and more secure sourcing.

- Dedicated aerospace quality programmes
- CECC-approved franchised distribution
- Same-day response on enquiries
- Identification of alternatives rather than no-bid
- Alternatives recommended to reduce leadtimes
- All CofCs archived for assured traceability
- Parts list auditing & obsolescence management
