

Specialist sourcing for hard-to-find passives

Charcroft uses the resources and product knowledge gained over almost 40 years as a specialist passives distributor to identify and source obsolete passives or to manufacture custom alternatives.

Secure sourcing or alternatives for obsolete passives

- Archive of catalogues dating back to 1970s
- Defence OEMs' internal part number cross-references
- Product identification by NATO, BS or CECC numbers
- Technical Help Desk and Live Chat online

UK manufacturing of legacy passives & custom passives assemblies

- Continuity of supply for legacy passives: VK/4800/454 series
- Custom capacitor/resistor assemblies with optional flying leads
- Custom footprints & lead-pitches
- Protection against harsh conditions
- 7 to 15 day leadtime for prototypes
- Precision Express® delivery available
