

CHARCROFT

Industrial-strength service

A linecard of specialist passive, interconnect and emech components plus opto and power ICs for industrial applications, backed by regional technical support throughout the UK

Request samples of the latest industrial components:

- Industry's first 75V-rated **tantalum capacitors**
- Low-profile hydraulic magnetic **circuit breakers** with optional switch-only configuration
- Heavy-duty power pushbutton **switches**
- Ultra high-precision industrial-grade chip **resistors** down to ± 0.5 ppm/ $^{\circ}\text{C}$ TCR
- Low resistance metal-alloy chip **resistors** with high surge capability
- High-voltage, high-speed **opto-isolators**
