## Prayer

We thank You for the gift of our teachers —  
for their patience, dedication, and generous hearts.  
Bless them for the countless hours they spend guiding, encouraging,  
and inspiring our students each day.

When they feel tired, renew their strength.

When challenges arise, fill them with wisdom and peace.

When their work goes unseen, remind them  
of the lasting difference they make in the lives of children.

May they know how deeply they are appreciated  
by students, families, and our entire school community.

Continue to bless their vocation as educators,  
and may they always feel Your presence  
in their classrooms and in their hearts.

We ask this through Christ our Lord. Amen

Our annual May Crowning will be Wednesday, May 13 at our 8:00 AM school Mass. This beautiful tradition will be led by our 8th grade students as we honor Mary, the Mother of Jesus.

We invite our school families to help us “shower Mary with flowers” as a sign of love and devotion. Students are welcome to bring in fresh flowers to school on Monday or Tuesday to be used during the celebration. Thank you for helping us continue this special Catholic tradition as we come together in prayer and honor Our Blessed Mother.

## Teacher Appreciation Week

Teacher Appreciation Week is this week, and we are excited to celebrate our amazing faculty and staff! This year’s theme is “**Wicked Oz-some Teachers!**” — because our teachers truly make magic happen every day.

We invite our school families to join us in showing gratitude for the dedication, care, and hard work our teachers give to our students and community. Whether it’s a kind note, a small gesture of thanks, or words of encouragement, your appreciation means so much.

Thank you for helping us recognize the incredible impact our teachers make each and every day. They are truly *Wicked Oz-some*, and we are grateful for all they do!

Our Teachers and Staff are  
**WICKED OZ-SOME!**

## **Tuition & Choice Scholarship Update: 26-27 School Year**

We are pleased to share that for the 2026-2027 school year, tuition will increase modestly to \$7,500 which is a \$200 increase from the current year's rate of \$7,300. While any tuition increase deserves transparency, the more meaningful story is found in the numbers behind it.

Indiana's Choice Scholarship Program reimburses a portion of tuition based on each family's resident school district. For 26-27, scholarship amounts are increasing across all five of our participating districts, and in every case, those increases outpace the tuition increase itself. The result: families will actually pay less out of pocket next year than they did this year, with parent-portion savings ranging from approximately \$62-\$175 depending on your resident school district.

Additionally, please note a \$50 increase in the technology fee, from \$75 to \$125, reflecting continued investment in our academic resources.

We recognize that affordability is central to your family's decision, and we're grateful that the Choice Scholarship Program continues to make a Catholic education affordable and accessible. We have listed the specific district scholarship amounts and what the estimated amount of tuition will be for families. Please don't hesitate to reach out to Mrs. Tucker with any additional questions.

## **Choice Scholarship Information 2026-2027**

## 6th Sunday Easter

### 1 Peter 4:13-16

- 1) What kind of pain affects your life the most: physical or spiritual?
- 2) How often are you surprised at the trials of life?
- 3) How is rejoicing in suffering different than just enduring suffering?
- 4) Does God really expect you to be a glad sufferer? What is an example of this?
- 5) How can you be an encourager to someone this week who is going through a difficult time?

# GONE fishing

Mt. 4:19 "Follow me," he told them, "and I will make you fishers of people!"

Happy Mother's Day to all the moms both living and deceased. In honor of our mothers, I found some great observations from the mouths of babes in elementary school.

**One question pitched to elementary students: "Why did God make Mothers?"**

**Answer:** "To help us out of there when we are born."

**Another answer:** "She's the only one who knows where the Scotch tape is."

**Question:** "What ingredients are mothers made of?"

**Answer:** "God makes mothers out of clouds and angel hair and everything nice in the world and one dab of mean."

**Question:** "Why did God give you your mother and not someone else's mom?"

**Answer:** "God knew she likes me a lot more than other's people's moms like me."

**Question:** "What kind of little girl was your mom?"

**Answer:** "I don't know because I wasn't there, but my guess would be that she was pretty bossy."

**Question:** "What's the difference between moms and dads?"

**Answer:** "Moms have magic. They make you feel better without medicine."

**Question:** "If you could change one thing about your mom, what would it be?"

**Answer:** "I would like for her to get rid of those invisible eyes in the back of her head."

Another child answered: "She has this weird thing about keeping my room clean, I'd get rid of that." And yet another child said, "I'd make my mom smarter. Then she would know my sister did it, not me."

Thanks to all the mothers for their dedication, their love, their hard work, and even for the times when they must discipline their children to teach them right from wrong. Persevere moms, you are forming saints!

For those who may have missed this important announcement. This is not a response from any single incident at St Anthony's, rather an initiative to maintain a safe environment for all who attend mass here at St Anthony's.

Thanks for your vigilance and your prayers. Stay safe!

**Procedure Change:**

Out of an abundance of caution, we are securing the electronic locking doors after the start of mass at 5 minutes after the hour. We are doing this as a way to monitor who is entering into church in the middle of the mass. Feasibly we could have someone with a malicious intent solely here to disrupt the mass. We are striving to protect the integrity of the mass and also the people who attend.

This is not designed to punish latecomers or frustrate those who need to run to the car to grab something. Simply let someone know you are leaving and they can let you back into the door. We already have this practice during our weekday school mass, and it has been very successful in keeping all the staff, parents, and students, safe while attending mass. Thank you.

Mt. 4:19 "Follow me," he told them,

Answer: A.

Wakanda Battle Claws have Potential For Eye and Facial Injuries: These Black Panther claws are made of hard plastic and encouraged for children 5+. Modeled off the popular comic book character, warnings include prohibiting "hitting or swinging at people or animals." However, children will most likely want to model the character's moves, and the sharp claws can lead to eye and facial injuries.
