Prayer

Heavenly Father, we pray for our students today. Fill them with Your Holy Spirit, that they may love one another with a selfless, Christ-like love. Grant them compassion, kindness, and the ability to forgive, reflecting Your grace even when it is difficult. Help them to show genuine care for others in their words and actions, seeing everyone as You see them. May their love be a powerful testament to Your truth, drawing others to You. In Jesus' name, Amen.

Walk A Thon

Our annual Walk A Thon will be held on Friday, September 12. We are so excited to again use the online giving provided by Boosterthon. Last year, we collected \$18,000 and our goal this year is \$20,000. This year we are earning money for new swings! The students love the new playground equipment, but we definitely are in need of new swings. Our Walk A Thon is also a great way to strengthen our school community!

Our school relies on fundraising to provide exceptional opportunities and a supportive atmosphere to enhance student learning. And this year, we have more needs, which means we need your support more than ever!

This program, part of the Archdiocese of Indianapolis's Safe Environment Program, aims to educate participants on recognizing and reporting child abuse, including physical, emotional, and sexual abuse, as well as neglect. The training is crucial for ensuring the safety and well-being of children within the parish and school environment. This training is required of all individuals who work with our school children.

Volunteer Hours 25-26

As we go through this year, we want to demonstrate the Holy Spirit's presence in our life by demonstrating the gifts of the spirit. Our focus this year is Service and Involvement. We want our families to be involved and volunteer throughout the year. When we volunteer, we demonstrate many of the gifts of the Holy Spirit:

- Love: Volunteering is driven by a genuine love for others and a desire to help
- Joy: Serving others can bring a deep sense of purpose and joy
- Peace: Engaging in acts of service can cultivate inner peace and tranquility
- Patience: Volunteering often requires patience in dealing with difficult situations, people, and delays, helping individuals to develop this virtue.
- Kindness & Goodness: Acts of service naturally involve showing kindness and goodness to those in need, without expecting anything in return.
- Faithfulness: Committing to volunteer work and consistently serving builds faithfulness and dedication
- Gentleness: Volunteering, especially when working with those in need encourages gentleness
- Self-control: Maintaining a focused and disciplined approach to tasks and interactions during volunteering develops self-control

Our goal is to have each family at SAS volunteer **20 hours** of their time throughout the year. This is an opportunity for your family to let the Holy Spirit guide you and demonstrate its gifts, while helping out our school community. We have many opportunities for you to volunteer, here are some examples:

- Attend Sunday Mass
- Participate in a spiritual event at St. Anthony Parish
- Serving or participating in the choir at Mass
- Work sporting events: coaching, concession stand, selling tickets
- Stewardship Friday Program
- Theater Production
- Fundraising Events
- Cafeteria Help
- After School Care Volunteers
- Room Parents
- PTO Meetings

We will be asking families to submit service hours as a tracking system. Please use the link below to track your service hours. While we shouldn't expect anything in return for our service, we are working on some rewards for completion of hours and for those families going above and beyond to help in our community. If you have any questions, please contact Mrs. Tucker.

Escuela St. Anthony

Horas de Voluntario 25-26

Durante el ciclo escolar nos gustaría mostrar la presencia del Espíritu Santo en nuestras vidas demostrando el regalo del Espíritu. Nuestro enfoque este ciclo escolar será el Servicio y Participación. Queremos que nuestras familias participen y sean voluntarios durante el ciclo escolar. Cuando nos ofrecemos como voluntarios, demostramos muchos de los regalos que nos ofrece el Espíritu Santo:

- Amor: Ser voluntario es impulsado por el amor genuino que tenemos por los demás y el deseo de ayudar.
- Gozo: Servir a los demás no trae mucho gozo.
- Paz: Involucrarse en actos de servicio puede cultivar paz interior y tranquilidad.
- Paciencia: Ser voluntario frecuentemente requiere que sea paciente lidiando con situaciones difíciles, personas, ayuda a las personas a desarrollar su virtud.
- Amabilidad y Bondad- los actos de servicio hacen que demuestre amabilidad y bondad a los que más lo necesitan, sin esperar nada a cambio.
- Fidelidad- El compromiso de trabajar como voluntario y servir constantemente construye fidelidad y dedicación.
- Dulzura- Ser voluntario, especialmente cuando se trabaja con los más necesitados promueve dulzura.
- Control- Mantenerse enfocado y tener disciplina a una tarea y tener interacción al ser voluntario desarrolla control de sí mismo.

Nuestra meta es que cada familia de SAS se ofrezca como voluntario por **20 horas** durante el ciclo escolar. Está es una buena oportunidad para que su familia deje que el Espíritu Santo los guíe y demuestre los regalos que nos da ayudando a su comunidad escolar. Tenemos muchas oportunidades para que se ofrezca como voluntario, estos son solo unos ejemplos:

- Asistiendo a Misa
- Participando en eventos de la Iglesia de St. Anthony
- Sirviendo o participando en el Coro de la Iglesia
- Trabajando en eventos de deportes: siendo entrenador, vendiendo la comida o boletos
- Ayudando en el Programa de Stewardship los viernes
- Ayudando en la producción de la obra de teatro
- Ayudando a recaudar fondos
- Ayudando en la cafetería
- Ser voluntario en la guardería
- Ayudando en la clase de los niños
- Asistiendo a las juntas de la Organización de Padres de la Escuela

Les pedimos a las familias que llenen una forma para ir contando sus horas de servicio. Use el enlace de abajo para contar sus horas. No debemos esperar nada a cambio por nuestro servicio, pero si estamos trabajando en cómo recompensar a las familias que hacen más de lo que se espera de ellas y ayudan a la comunidad de la escuela. Si tiene alguna pregunta por favor comuníquese con Mrs. Tucker.

Drop Off and Pick Up Reminders

We have many new families joining our school this year, so this is a perfect time to go over how we do our morning drop off and afternoon pick up. Please see the diagrams attached. If you have any questions, please don't hesitate to call the school office for clarification.

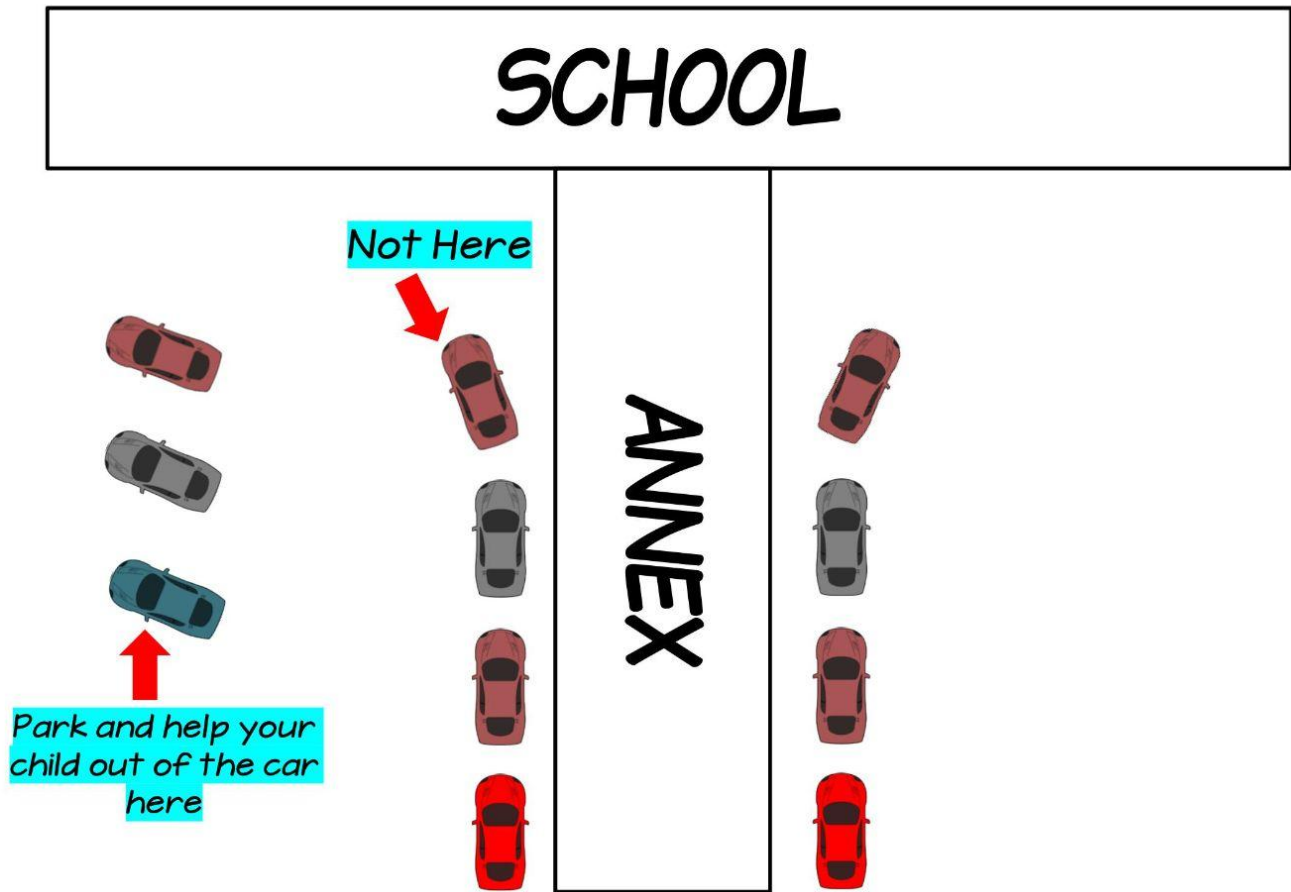

Morning Drop Off

- You may drop off your child on either side of the building regardless of grade level. Students are to come through the breezeway doors where they will be greeted by a faculty member.
- You **MUST** enter from Marshall Avenue, please do not enter from the front of the building off of Sherwood Ave.
- If you need to help your child out of the car and/or plan to walk them up to the breezeway doors, then you will need to park in an open parking spot before exiting your vehicle. **DO NOT get out of your car in the car line.**
- If you arrive after 7:50am, you will need to park out in the front of the building, walk your child into the building, then sign them in.
- If you are coming into the parking lot close to 7:50am to try and beat the bell, DO NOT just drop your child off and leave. It is imperative that you have made sure they made it into the building. The doors will be locked at 7:50am, and we don't want any child stranded outside of the building unattended.

Afternoon Pick Up

- Any family with their youngest child in grades **K-2** will pick up their child(ren) on the left side of the Annex building (closest to the Parish gym)
- Any family with their youngest child in grade 3-8 will pick up their child(ren) on the right side of the Annex building (the side by the school playground)
- Dismissal is at 2:40pm. Teachers will be outside dismissing students and directing traffic. Anyone not picked up by 2:50pm will be taken to After School Care and there will be a fee for this. It is very important that you make plans to have your child picked up by 2:50pm.
- Parents are asked not to park on Sherwood Avenue and have students come out front to meet them, as this creates a safety concern for the children who walk home. If student walkers are picked up by a car repeatedly in the front of the building, they will be dismissed to the car line. Parents may then pick up their child from the car line.
- Make sure you are pulling into the lanes as far up as you can. Once a lane is full, you will need to pick a different lane. Do not block the entrance into the the parking lot as this creates a bottleneck, and we can't get all the cars in to park in the lanes.

Morning Drop-Off Reminder

If you want to walk your child to the breezeway doors OR help them out of the car, you will need to park in a space.

Do not stop in the car line and get out of your car.

Luke 14: 1,7-14

22nd Sunday in Ordinary Time

1. If you could have the best seats in the house, what would you choose: Superbowl, Musical, Symphony, Indy 500, or Royal Wedding?
2. How does Jesus' view of honor vary from that held by others at the meal?
3. What does this passage teach you about the differences between kingdom values vs. social values?
4. What does this passage tell you about Jesus' ability to observe your behavior?
5. If you threw a party for the poor, the crippled, the lame and the blind, who would you invite? How might you pull this party off?

Mt. 4:19 "Follow me," he told them,
"and I will make you fishers of people!"

22nd Sunday in Ordinary Time - Luke 14:7-14

Jesus' teaching today appears shrewd and even calculated as He explains wedding banquet protocol. If you are only a distant relative or friend of the bride & groom, then you should avoid seating yourself at the head table. Chances are someone will come by and inform you that you belong at the back of the banquet hall. How embarrassing it will be for you to reluctantly move to the back while everyone watches and stares! A wiser strategy would be to seat yourself first at the back. Then if by chance you are summoned to the head table, all the other guests will notice you and conclude that you must be very humble. "Who humbles himself will be exalted."

Many households offer a special seat of honor for guests in their home or a special plate to eat on. How do you honor guests when they visit your home? Admiring God's lavish love in creation all around us and rooted within the human person, we are all poor and insignificant by comparison. When we approach any gift from God with humbleness, all will be exalted. What humble gift can you offer your guest who may one day become a loyal friend or worse a rival enemy?

Trivia: Who is the Franciscan saint who is nicknamed the "Hammer of the Heretics"?

- A. St. Francis of Assisi
- B. St. Anthony Fassani
- C. St. Anthony of Padua
- D. St. Catherine of Siena
- E. St. Augustine

Answer: C St. Anthony of Padua, affectionately known as the "Hammer of the Heretics," had a similar background and character to that of his contemporary, St. Dominic. Both friars came from a noble family, had an early desire to live religious life, and each forswore his wealth and status to follow Jesus more fully. Both Dominic and Anthony spent much of their time preaching to the Cathar heretics. Men recognized for their brilliance, they desired to preach for the salvation of souls. Although quite learned, the humility of both men often shone more brightly than their learning. So desirous to enter into a life of penance and prayer was St. Anthony that it seems his brethren assumed him to be of simple mind and only able to pray the breviary and Missal, despite his noble blood and powerful skill in learning and memory.

One account of the saint's life relates a tale of an ordination of some Franciscan and Dominican friars both, and at the gathering of the brethren the superiors desired that someone be designated to preach. Although the superiors had approached the Dominicans first, all of them declined claiming not to have anything prepared. They then appointed St. Anthony to preach. Much to the surprise of all, since he had never before displayed his brilliance, he delivered a most astounding homily full of erudition and sublime doctrine. It was upon this occasion that his public career began.
