Saint Michael's Parish Council
August 6, 2026
August Meeting Agenda

Those Present: Father Patrick, Deacon Steve, Joe Albright, Jerry Eckl, Mike Stumpe, Frances Holder, Teresa Chaney, Elizabeth Vandiver, Elaine Smith

Opening Prayer

Old Business

- Approved June Minutes. Matt motioned to approve. Joe seconded. All were in favor.
- July Fourth Picnic. Jerry reported for Carolyn Eck. The picnic successfully raised $17,000. Had a lot of extra cash and in-kind donations this year, everything went well.

New Business

- Labor Day Picnic – Volunteers are still needed.
- Frances Holder reported the church capital campaign project. Frances is in the process (along with several other individuals) of getting three bids to remove old insulation in the church attic and to inspect the plaster condition underneath it. Have gotten one bid so far.
- Mike Stumpe reported for maintenance. The large bell clapper broke months ago. Charlie Beale and Anthony Eckl fixed the clapper so now the bell is working. Maintenance committee is working on several items: cables and electricity lines running from the gym to school building, changing lights in gym restrooms to motion switches and picnic building upgrades. Parish House back porch sink addition has been paid by donors - just need work done.
- Father's Comments – Ask members what we can do better as a parish.

Fr Patrick motioned to end the meeting. Jerry Eckl seconded the motion. All were in favor.

Next Meeting – September 3rd
