---	---	--

The volunteers of our local Loaves & Fishes organization are so grateful for the expansion of our ministry. We are currently serving 80 to 83 people nutritious, home-cooked food each week. We could not do it without the help of generous members of our parish family who donate their time, money, food, and supplies. We have a great time on Wednesday mornings serving the community and new volunteers are always welcome. If you would like donate, volunteer, or know someone in need, please reach out to the office, and they will get you in touch with us. Thank you for helping us spread Jesus' love to others.

Additionally, please consider joining any one of the many service ministries offered by our parish and community and be the light for others.

For a quick laugh

It has been so hot here. The other day I was driving down the road back home from the farmer's market when suddenly I heard it! It was the sound of what I would describe as faint fireworks off in the distance. Then, it got louder and faster so I got worried. I checked my car dash first to see if a warning light was on, but nothing. It kept getting louder and faster, so I decided to pull my car over. That's when I heard something in my car's trunk. Confused, I mustered up my courage and opened up that trunk. You may ask was it a squirrel? No! It was so hot that my bushel of corn I purchased had started popping!!! Perplexed, I did what any other good Christian woman would do, I prayed! Was I praying for the corn? ... No! I was praying to the Lord for *Salt and Light*...butter! And that's how we make lemonade out of lemons!
