

LENTEN DAY OF RECOLLECTION *on the* *Shroud of Turin*

SATURDAY
MARCH 9, 2024

7AM - 4:30PM

The Shroud of Turin is believed to be the authentic burial cloth of Jesus. During this Lenten Day of Recollection we invite you to consider the Shroud and what it shows of the crucifixion and resurrection of Jesus, to deepen your meditation on the passion and immense love of Jesus Christ Crucified.

The Shrine of the Most Blessed Sacrament is honored to have on permanent exhibit four actual-size natural view and negative images of the Shroud. In February 2024 these images were updated to new high-resolution transparencies which reveal the amazing detail of the Shroud image.

Speakers:

FR. LEONARD MARY, MFVA
